tions on Our Cultures.

conversation consists not in what is said but in what is implied-not in expressions, but in allusions. A light reference to some classical story-a quiet glance at some page of historya half-line from some loved poemgives not only grace to the remarks of the speaker, but zest to the attention of his audience. Seldom does a verse or a couplet fail to "bring down" the pocket, John McBride, Niagara ralls, to himself, "Ah," the "Georgics," "Hamthe opponent, failed to throw Eller let," or "L'Allegro," feels himself toobe

> notes and even of inverted comman when an alfusion is made in print, and we understand it; such helps to memory or to knowledge are reflections of our culture; and yet when we make close inquiry of ourselves, we ar shocked to find how ignorant we are concerning allusions. Many persons seem to think it quite safe to conclude no friend could help him, until he saw the words on an American advertise ment of the Yosemite Valley, with the Granada," Part I., Act 1. scene i ; and then further search made him aware that "The Conquest of Granada" was one of John Dryden's dramas.

tion," by Charles Rozan, was published in Paris by P. Ducrocq; and in 1887, "Quiszism, and Its Key," by Albert P. Southwick, appeared in its 6th year the second edition of 'Queer Questions, and Ready Replies," by Grant Oliphant, shone out to enlighter the same city. The two American one is not very unlike them. Much information for readers may be gathered from all three, though much in all three is nearly useless .- Montreal

Canadian Stands First.

Sergt.-Major Isaac Mooney, son o Mr. Isaac Mooney, 65 Hamilton street, Toronto, has the honor of having won the highest certificate of qualification ever obtained by a colonial from the Imperial School of Gunnery at Shoeburyness, England. Sergt.-Major Mooney, who is now attached to the Halifax garrison, was educated at the Bolton Avenue Public School. He acquired proficiency in artillery branch of the permanent corps during a term of service in the Quebec Garrison Artillery. In 1898 he went to the Yukon with the Yukon field force and successfully endured the hardships of the Teslin trail. On his return to the east he embraced the opportunity which of fered itself and volunteered for the Second contingent. As squadron sergeant-major he participated in the battle of Little Harts River, where he distinguished himself in common with the whole contingent. The honors he has recently won at Shoeburyness reflects

credit upon the Canadian forces,

It may not be generally known that Mr. J. Allen Baker, who has again won Finsbury (East) London, is a Canadian by birth. He belongs to a Quaker family prominent in Islington during the days of Fox and Penn. Mr. Baker was born in Ontario, but went to England over thirty years ago, and is now ac- Every plan shall be accompanied by D. M. Braden's crack Winnipeg Thistle monopolists. As chairman of the other fixtures. Tramways Committee he has done much for the improvement of the comfort of London's millions. Mr. Baker first won East Finsbury last June in a spirited bye-election.

The History of the Snowshoe. The snowshoe is one of the best of our Indian legacies. It was undoubtedly invented a long time ago and has come down to us from the unknown along with the birch-bark canoe. Like the cance, though in a lesser degree, the snowshoe has been modified and improved by the white man. The shape of the bows and the manner of putting in the rawhide filling varies in different parts of the country. Those made by the Indians show their tribal design as to their moccasias, but gen- law. erally speaking, snowshoes are made for the particular condition of the country where they are to be used .--
