Kidney disease comes on quietly, it may have been in the system for a long time before you suspected the real cause of your trouble. There may have been backaches, swelling of the feet and ankles, disturbances of the urinary organs, such as, brick dust deposit in urine, highy colored, scanty or cloudy urine, bladder pains, frequent urination, stone in bladder, etc.

Perhaps you did not know that these were symptoms of kidney disease, so the trouble kept growing worse, until Neuralgia, Sciatica, Rheumatism, Diabetes, Dropsy, and worst of all, Bright's Disease have taken hold of your system Doan's Kidney Pills should be taken at the first sign of anything wrong. There is no other safe way, (plasters and liniments are useless), as the trouble must be

eradicated from the system. Doan's Kidney Pills go to the seat the trouble, strengthen the kidneys, and nelp them to filter the blood properly and flush off all the impurities which cause kidney trouble. Mr. Thomas Mayhew, Smith's Falls, Ont., writes: "For over four months I was troubled with my kidnevs, and my back got so lame I felt miserable all over. After taking five boxes of Doan's Kidney Pills I was as well as ever." Price 50 cents per box or three boxes for \$1.25, all dealers or The Doan Kidney Pill Co., Toronto, Ont.

Scalp One Mass of Sores, Hair and Eye-Brows Fell Out - Agony for Eight Long Years - Doctors Were Unable to Help Her.

SPEEDILY CURED BY CUTICURA

"I had suffered terrible agony and pain for eight long years from a terrible eczema on the scalp and face. The best doctors were unable to help me, and I had spent a lot of money for many remedies withour receiving any benefit. My scalp was covered with scabs, my face was like a piece of raw beef, my eyebrows and lashes were falling out, and sometimes I felt as if I was burning up from the terrible itching and pain. I then began treating myself at home, and now my head and face are clear and I am entirely well. I first bathed my face with Cuticura Sonp, then applied Cuticura Ointment to the afflicted parts, and took Cuticura Resolvent for the blood. I was greatly relieved after the first application, and continued use of Cuticura soon made a complete cure. ---

AT THE RANDOLPH HOTEL

Caller Ejected From Mrs. Fay's Room-She Wanted to Know and Was Bound to Stay Till She Was Told.

There was quite a little excitement yesterday afternoon, at the Randolph Hotel, by the advent of an unbidden caller upon Mrs. Eva Fay, the thaumaturgist, who is at the Grand Opera House this week. One of the strictest rules that Mrs. Fay has is that she will receive no callers and it takes a great deal of persuasion, and usually nothing short of abject intimidation i to get the clerk at the desk to send even a card up, so strict regarding matters are the orders issued Yesterday afternoon, however, the inquisitive party did not send any the way. Instead, she mounted stairs to the room, having first ascertained the number by consulting the register, and knocked on the door, without waiting for a response, walk

Her appearance at that was quite formidable. Pretty tall and a stron- looking woman, she was not an easy looking subject for any man, to which add

At first Mrs. Fay tried persuasion to get her to leave the room, but in the end she so persisted that it was necessary to eject her by force, and one of the hotel attaches showed her the way to the street, parting from her with final instructions, never to enter the hotel again.

The affair might have proved serious for Mrs. Fay had she been in th thaumaturgical condition into which she always goes when answering letters, but she had just finished answer ing several hundred, and was on the point of lying down to rest herself preparatory to the evening perform-
