THE SESSION.

The Legislature Will Have a Fair Bill of Business-To Revise and Improve the Laws-Hopes | doubt, be of great value in the future That the Session Will Be consideration of this very important Harmonious.

Toronto, Feb. 15 .- With the usual commission was appointed to report brilliancy and ceremony, the twelfth upon a scheme for the management legislature was opened, this afternoon, and government of the University of by Lieut.-Gov. Clarke. The galleries were crowded, while the floor of the We have a special line— house was well filled. With the handmilitary uniforms of the officers, the scene on the floor was a striking one, Interest was added to to-day's ceremony by the introduction, as a new member, of Hon. Frank Cochrane, minister of lands and mines. Cochrane was elected by acclamation, on June 13th last, and has not yet sat in the house. Premier Whitney The lieutenant-governor drove

> the parliament, escorted by a detachment of the Royal Canadian Dragoons. As he approached the buildings the Toronto Field Battery, under ommand of Capt. Richardson, fired the customary salute of fifteen guns, a guard of honor from the 48th Highlanders, 100 strong, under command of Capt, Cosby, met his honor inside the buildings. Mr. Clarke was immediately escorted to the legislative chamber, where he read the peech from the throne. Mr. Speaker and Gentlemen of Legis-

I take great pleasure in meeting you again as representatives of the province in parliament assembled. Our very earnest thanks are once more due to Almighty God for the bountiful harvest of the year that has passed, which even excels the one that called for our gratitude last year. With this harvest, the market condiprosperity which our farmers have enjoyed in recent years. This has been noticeable in the dairying industry, the output of which has been very large. The evidences, of steady increasing enterprise and activity on the part of our people, which have been

lative Assembly

time and afford good reason for con. gratulation and thankfulness The past year has been the most successful in the history of the Agricultural College from the standpoint of number of students, the number of farm visitors and the amount of work done. For the first time in its career, the total number of students of all classes exceeded 1,000. The Macdonald Institute has, apparently, taken firm hold on the appreciation of the pub-

Preparations are being made to it. receive and settle a larger number during the present year, who will be girected to the farms of the province. With increased facilities, and an improved system, it is confidently ex-

> pected that the immigration and colonization work of this government will reach the highest mark yet attained. The funds appropriated are being used solely to assist in providing farm and domestic help. Since the last meeting of the legislature Earl Grey, governor-general of Canada, accompanied by Countess Grey and their estimable family, have visited several sections of the province and the seat of the government has been honored by their presence on two occasions. The people of the province have noted with great satisfaction the great interest taken by his his excellency in all matters affecting their welfare and happiness. The extensive experience gained by his excellency in the various public positions which he has occupied, renders

his opinions on such questions of greatest possible value; while the inin all movements of a philanthropic and social nature has been a source of great satisfaction.

You will be pleased to learn that We Make a Specialty of the Temiskaming and Northern Ontario railway, for the past year, has been very satisfactory, the income bed ty to them. ing largely in excess of expense of operation, and that construction of the extension of this road has been proceived with in the most energetic
