a Cough or Cold

IT CAN HAVE BUT ONE RESULT. IT LEAVES THE THROAT or LUNGS, OR BOTH, AFFECTED.

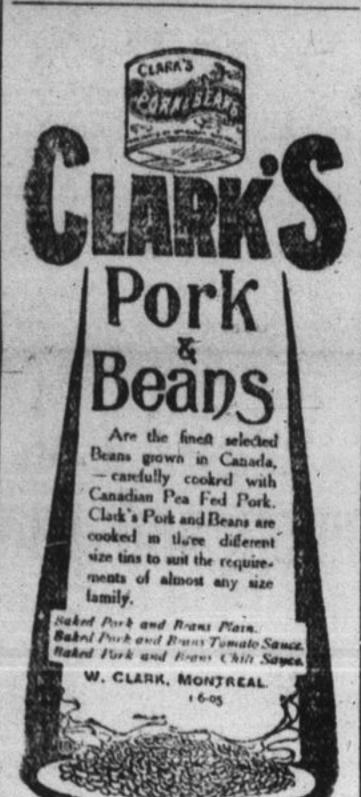

DR. WOOD'S NORWAY PINE SYRUP IS THE MEDICINE YOU NEED.

Pain in the Chest, Asthma, Whooping Cough, Quinsy and all affections of the Throat and Lungs.

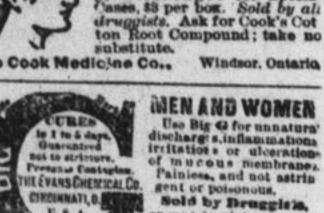

A single dose of Dr. Wood's Norway Pine Syrup will stop the cough, soothe the throat, and if the cough or cold has become settled on the lungs, the healing properties of the Norway Pine Tree will proclaim its great virtue by promptly eradicating the bad effects, and a persistent use of the remedy cannot fail to bring about a complete cure.

Do not be humbugged into buying socalled Norway Pine Syrups, but be sure and insist on having Dr. Wood's. It is put up in a yellow wrapper, three pine

trees the trade mark, and price 25 cts. Mrs. Henry Seabrook, Hepworth, Ont. writes : "I have used Dr. Wood's Norway Pine Syrup in our family for the past three years and I consider it the best remedy known for the cure of colds. It has cured all my children and myself."

THE WHIG -73rd YEAR | way, has been talked of, but there DAILY BRITISH WHIG, published sach evening at 306-319 King street Kingston, Ontario, at \$6 per year Edit Ontario

WEEKLY BRITISH WHIG, 12 pages and over, published in parts on Monday and Thursday mornings at \$1 a year.

Attached is one of the best Job Print-

of cheap work; nine improved presses. The British Whig Publishing Co., Limiter EDW. J. B. PENSE, Managing Director.

THE DAILY WHIG. "Opifer per Orbem Dicor."

Women At The Bar. Some time ago the Whig noted th studied, because the courts had ruled that she was not a "person" within

The attorney-general has introduced a bill into the legislature at Fredericton, admitting women to the bar it now ! n the same terms as the men, and the rumour is that it will probably pass the house without objection.

the meaning of the act.

Is there any profession now which women have not invaded? There are It is without an equal as a remedy for some things that men can do better Coughs, Colds, Bronchitis, Sore Throat, than the women, and these are the feats which call for strength and endurance. In physical tests the woman ellectually she appears to be his ual and in some respects his

> As lawyers the fair sex should be uccess. They are usually gifted with peech of the most silvery kind, and mental activity they should be at their best under the stimulation the court. Whether the law will be a popular resort for the women is an other question. The first one who dons gown in Kingston and appears our court/house will be more than ne days' wonder.

Regulating Life Insurance. The committee on insurance from the New York legislature, which

vestigated the abuses of the New York

companies, has suggested legislation founded upon its report. There are certain results which should be attained by act of parlia ment, notably the prevention of rebating, the participation in syndicate offerings of officers of companies, the investment of insurance money doubtful securities, the recognition of

auxiliary companies to the disadvant

age of the original, and the payment of deferred dividends. But what objection can there be t the writing of any amount of busi ness provided it be done on safe and judicious lines, The Albany commit tee recommends that the surplus of the companies, over and above limited percentage, be divided yearly so that there cannot be a great cumulation of funds with an invitation to gamble with them. Then why curtail the transactions of a com-

With a limit as to the extent of business it may do in a year, with reduced range as to the securities i may purchase, with a choice of only one kind of policy, and with an ar nual reckoning as to results the aver age insurance company may be seriously handicapped, and this is not de

All that is wanted is an honest accounting of the people's money, and a more economical direction of the people's interests. Can this not be had, without a resort to drastic legmedicine on which women can depend. Sold in two degrees of islation which means the hampering of some of the companies.

Looking For Business.

The hope of some western cities is cheap power, and from the Niagara Falls system. They expect to get this power at a very low rate, and it will he a great incentive to business which is developed by it.

Kingston cannot attract manufacticeivers. turers unless it has cheap power to offer, and this is not now at its comnand. There have been various speculations respecting the possibilities of ower being generated by the water Leing considered for the members falls in the vicinity of the city, but they have never been examined (except in a casual manner), with a view to determining what they can produce in this respect.

It is for the local committee on ined to receive pupils and Concert En- energy which is generated by a water from freezing off. gagements. Address, 193 Brock street fall, but it might be made, through the power plant of the city, sufficientow to make location of new in

It is alleged that certain industries passed Kingston because there was no earnest and active interest in them displayed by the council. But it is doubtful whether the council had any

will have to be more than talk if it is to materialize

Editorial Notes. Mrs. Fay says that work upon

year. That settles it The liberals in North Toronto are running their campaign without meet

ings. Now watch for the result, Kerr Hardie, the labour leader poob-poobs the rumour of an alliance between the labour and the tariff re

form parties. Calgary is running its municipal af fairs by a commission appointed by the council. What better is this than committee of the council?

The labour party will revive old age pensions in the imperial parliament Chamberlain once had this subject on the brain. Where does he stand upon

The members of the local government are throwing themselves into the North Toronto bye-election with great energy. What if they are repressed as they were in Kingston?

Renfrew bids for the normal school, Its deputation has presented its plea, and to the effect that it is in

The Hamilton Spectator has it that Mr. Whitney would do no harm to himself and the province if he abolished all display at the opening the legislature, Will Mr. Whitney ac cept the hint?

The Mail has discovered a revolt against Laurier in Quebec. Its statement of the Parent-Choquette is certainly not in accordance with facts. The revolt is a figment he imagination.

Beckles Willson avows he will de nounce Canada's immigration policy rom the tree-tops, and judging b some of his language, tree-tops should be his regular abode. Who in thun der is Beckles Willson?

Mr. Urquhart is continuously ferred to by the conservative press, the great defeated. He has only lost arm in a self-imposed penance, during one parliamentary election. M Blackstock lost four elections, and in a speech in Kingston seemed to glory

Sarah Bernhardt roasted her audi ence at Youngstown, Ohio, in French and did it so well that she was plauded to the echo. Same thing what splendid acting."

Hugh Clark, M.P.P., must have run short of material for a speech in th legislature/when he talked of the leg the insurance business. The federal parliament is quite competent to deal | the shock. with the business that comes before it

Conservatives resent the idea that the federal government will stop the flow of speech in parliament by adopt ing the closure. But the noise of faction will not deter the government from applying the brakes if the loquacity of some members is to become troublesome. The closure is a conservative expedient.

SPIRIT OF THE PRESS.

One They Excluded.

Hamilton Herald. Sara Bernhardt intends establishin few scholarships in Paris university for American students when she gets home. Will the privilege be extended to Laval students?
