**SENATOR G. A. COX**  
**GAVE A BIG LUNCHEON AT**  
**THE KING EDWARD.**

Many Prominent Members of Liberal Party Invited to Meet the Premier, Who Will Be Banqueted To-Night.

Senator G. A. Cox

Toronto, Feb. 21.—Senator George A. Cox gave a luncheon at the King Edward Hotel today to many of the prominent members of the Liberal party, who are in the city, to attend the banquet to Sir Wilfrid Laurier. The idea of the luncheon was to have the workers of the party, many of whom have not met Sir Wilfrid, become acquainted with the premier, who will be banqueted to-night.

Among some of those invited are Sir Louis Jetté, Lieutenant-Governor of Ontario; Hon. C. S. Hyman, Hon. G. W. Ross, Senator J. Kerr, Senator L. Melvin Jones, Senator Kerr, Cobourg; Hon. Mr. Gibson, Beausville; Hon. F. T. Frost, Smith's Falls; Hon. James McMillan, Mount Forest; Hon. Thomas Chaffee, London; A. Zimmerman, M.P., Hamilton; George C. Gibbons, London; Hon. J. M. Gibson, Hamilton; A. D. Cheyne, London; Eng. A. C. Elphinstone, Birmingham; Eng. L. Many, Glasgow; W. B. Merkle, London, Eng. About 130 guests were present.

Deputy Chief of Police Stark left for Halifax this morning, to meet Detective Black, who is returning from Kingston, Jamaica, with Edwin St. George, Banter, the absconding teller of the Crown Bank, and his wife. Banter is expected back in Toronto on Monday. It is not expected that the charge against his wife will be pressed.

**MILITARY CAMP.**

Proposition to Have Kingston Camp Removed.

Peterborough Review.  
 There is a possibility of Peterboro, sending the location of a military training camp here.

Lieut. Col. Douglas Young, assistant district officer commanding Kingston, and Lieut. Col. G. St. C. Fortin, of Kingston, arrived in the city last night, and in company with Lieut. Col. Miller, commanding officer of the 57th Regiment, are this afternoon inspecting several prospective sites for the camp in the vicinity of the city.

Major (Dr.) Young, of the 24th field battery, also accompanied the visitors on their tour of inspection.

At present the training camp for military district No. 3 is located in Kingston.

Disatisfaction has been expressed for some time with the Kingston camp as the grounds are not suitable for drilling and manoeuvring and it is also no rifle range. Consequently the military authorities have for some time been considering the advisability of removing the camp from Kingston and it is understood that Peterboro, owing to its central location and excellent facilities, is looked upon as a favorable site for the camp.

Lieut. Col. Young, Perrin and Miller, inspected a site near Nassau this afternoon, but at the time of going to press it could not be ascertained what their opinion was.

**Don't Use Drug Cures for Headache**

They Hurt You. Use Zutoo.

Don't think because the drug cures for headache do not make you heart palpitate, dull your nerves or upset your stomach just when you take them, that they are not hurting you, for they are.

The magazine "Health" speaks truly when it says: "Every dose of such drugs is at the expense of vitality, and sooner or later the penalty for outraging nature will be exacted."

You can avoid this penalty and cure your headaches just as quickly by taking the vegetable cure, Zutoo.

It is Harmless as Soda.

**Plenty of Ice.**

B. W. Folger says it will take ten days more to fill his ice houses. Much more ice than last year will be stored, as the houses have been enlarged. There need be no fear, he says, about lack of ice. Hereafter, work will be done at night, and also on Sunday if necessary. Should by any chance the harbor ice go out before enough is stored, ice can be brought in from North Frontenac. However, no danger in that regard is anticipated.

**Some Fast Horses.**

Morven, Feb. 20.—Spring-like weather still prevails in our midst, and we are yet without sleighing. Business is very dull, not much hay or grain moving. The revival meeting conducted by Rev. Mr. Thomas, is increasing in interest, and there are prospects of greater things to come. Those on the sick list are better, except Mrs. McQuinn, who is suffering from cancer. The local sports are making very good use of the driving track on Mr. Kayle's farm, with their clever steppers. Our assessor is making his annual rounds.

**To Hold Evening Session.**

The board of works has decided to hold evening sessions hereafter, and will meet this evening at eight o'clock. Most of the members prefer not to meet in the afternoons. More time is afforded for fuller discussions by meeting in the evening.
