Two tenders were received for supplying stone, but they were not opened, the committee having first to recommend to council that tenders called for. Power will be asked for the committee to open the tenders and make the award.

Ald. Gaskin stated that many people had come to him objecting to boardwalks being torn up and placed by concrete ones, when the old ones would last for some time longer. He wanted the committee to refuse to a year or two longer to be replaced. Ald, Rigney pointed out that section of the municipal act would have to be amended before any such action could be taken by the committee. Formerly the law gave property owners the privilege of petitioning for

permanent walks. This they could still do, but the law also allowed the city engineer to advertise all that should be replaced, and the peo ple had the privilege of petitioning against, but the council on a hirds majority could have any walk replaced that was dangerous. Ross said he didn't think that alderman was allowing walks to laid in his ward that were not mally necessary.
