

NOTICE TO CONTRACTORS

signated on the plans of the said Commissioness, at the north and of the
Quebec Bridge and Railway Company's
bridge in the vicinity of the City of
Quebec, to a point near La Tuque, a
distance of about 150 miles.

(3) A steel viaduet about 3,000 feet
long across the Cap Rouge Valley, in
said District "B.," in the vicinity of
the City of Quebec, the work to be performed in accordance with the General
Specifications of the Commissioners of
the Transcontinental Railway, and the
General Specifications for steel bridges
and viaduous of the Department of Railways and Canals of Canada, 1905.

Phans, profiles and specifications may
be seen in the office of the District Engineer of the Commissioners at Ottawa,
also in the office of the District Engineer at Kenora, Ontario, for the
section of District "F.," and for the
section of district "B.," in the office of
the District Engineer at Quebec.

Persons tendering are notified that
tenders will not be considered unless
made in duplicate, and on the printed
forms supplied by the Commissioners. for the work in each District.

Tenderers shall not be in any way entitled to rely upon the classification or any on behalf of the Commissioners, and before submitting any tender, bidders
should make a careful examination of
the plans, profiles, drawings and specifications, and read the forms to be executed, and fully inform themselves as
to the quantity and quality of materials
and character of workmanship required;
and are understood to accept and agree
to be bound by the terms and conditions contained in the form of contract,
specifications, etc., angested to the form
of tender.

Each tender must be signed and sealed by all the parties to the tender and witnessed and be accompanied by an accepted cheque on a chartered bank of the Dominion of Canada, payable to the Commissioners of the Transcontinental Railway for the sum of four hundred thousand dollars (\$400,000), for District "F.," and two hundred and twenty-five thousand dollars (\$225,000), for District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand dollars (\$35,000), for steel viaduct in said District "B.," and thirty-five thousand the said District "B.," and thirty-five by said Commissioners; and in any case of refusal or failure on the part of the party whose tender is accepted to complete and execute a centract with the said Commissioners and to furnish the approved security within ten days after the acceptance of the tender, the said cheque shall be forbited to the Commissioners as liquidated damages for such refusal of failure, and all contract rights acquired by the acceptance of the tender shall be forbited. Cheques deposited by parties whose tenders are rejected will be returned within ten days after the signing of the contract.

Attention is called to the following after the signing of the contract.

Attention is called to the following clauses in the form of contract:—

"All mechanics, labourers or other persons who perform labour for the purposes of the construction of the works hereby contracted for shall be paid such wages as are generally accepted as current for competent working in the District in which the work is being performed, and, if there is no current rate in such District, then a fair and reasonable rate; then a fair and reasonable rate, it shall be determined by the Commissioners, whose decision shall be final."

"This agreement is subject to the reg-"This agreement is subject to the regulations now in force, or which may at any time hereafter be in force during the construction of the works hereby contracted for, made under the authority of the Department of Labour, and which are or shall be applicable to such

"The contractor shall in connection with the whole of the said work as far as practicable, use only material, machinery, plant, supplies and rolling stock manufactured or produced in Canada, provided the same can be obtained as cheaply and upon as good terms in Canada as elsewhere, having regard to quality and price." The contractor shall conform to the Fire Regulations adopted by the Commissioners, and also to the Laws and Regulations respecting fires in the different Provinces wherein the work is beling performed. The right is reserved to reject any or all tenders.

By order,

P. E. RVAN.

P. E. RYAN, Secretary, The Commissioners of the Transcontinental Railway.
Ottawa, 8th February, 1906.
Newspapers inserting this advertisement without authority from the Commissioners will not be paid for it.

THIG. THURSDAY, FEBRUARY 22. AMERICANS ARE STRONG ON
FANTASTIC RELIGIONS.

Plenty of Graft in Starting New
Sects—A Trenchant Pen Deals

Whose wealth, admitted to be \$5,000,000, and by some to be nearer \$30,000,000, has passed practically into the hands of one man, John Duss, is told as follows:

"The 'Economites,' under the leadership of George Rapp; settled in Beaver county, Penn., seventy years ago. They believed that Rapp had divine attributes and that when he died they would all ascend to heaven in a body with him. Sects A Trenchant Pen Deals ascend to heaven in a body with him.

truths they claim to embody, but with their efficiency as money-making ventures. "It takes no capital to start a new religion," he asserts, and while the inventors of novel sects and the foundinventors of novel sects and the founders of queer communities sometimes meet with storms, "they oftener enter placid waters, and their guerdons surpass the dreams of avariee." Millions of dollars, amassed by thrift, industry and self-denial are swallowed up every year by "greedy schemers masquerading as prophets or inspired teachers."

"Religious enthusiasts and fanatics it is community have been for this!"
