PandoraRange

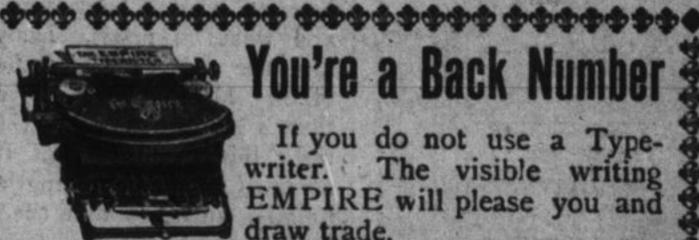

Meals on Time.

If a dinner should be cooked with a light fire by a certain hour you can use a light fire and absolutely depend upon the Pandora to cook it by that time-no need to waste fuel to keep up a hot fire "just to make sure." 'And the same accuracy can be depended upon if a strong fire

is necessary. The hot-air flues force all the heat around the oven twice and directly under every pot-hole, which means that every atom of heat is

used for cooking and only the smoke goes up the chimney. The Pandora range is entirely new and is equipped with every latest feature for easy management, quick cooking, fuel economy and for lessening kitchen troubles generally.
