Roused The Ramblers. Lansdowne, March 6 .- Last Satur day evening, a picked team of Ganan oque hockevists came down here, lookfor satisfaction for the defeat of the previous week. When the teams lined up, it looked as if they would have an easy time of it as the visitors were much larger and heavier than the locals. The first goal went to the visitors in less than a minute. Then the Ramblers woke up, and put up a game that would have been a credit to a professional team. They outskated and outmanoeuvred the visitors at every point, and rolled up a score of seventeen to three. It should have been seventeen to one, as two of Gananoque's goals were plainly offside however, they were allowed. For oung team the Ramblers are certainv a wonder, and feel elated over their cictory, against such an experienced team as the visitors ought to be Supper was served at the Stewart House afterwards.
