

TABLES

For the Dining Room are not what they used to be, but taste and quality are both shown in our new productions. Even our \$2.50 and \$4.00 designs of Extension Tables are well made and nicely finished, and our \$7.50 and \$10 styles are better. Our \$15 and \$20 tables are not improved anywhere.

Round Extension Tables are the latest. Buffets and China Cabinets going with the Dining Tables make a handsome outfit for a newly furnished dining room, and are not very expensive.

THE CITY COUNCIL

GENERAL HOSPITAL DEPUTATION HEARD.

In regard to an increased grant—Farmers' Association Asked Co-operation Regarding an Emigration Agency for Kingston.

The city council had an hour and a quarter session last evening. Only for a couple of deputations which waited upon the aldermen, the session would have been of less than half an hour's duration. Present were: Mayor Mowat and Alds. Angrove, Bassan, Carson, Cooke, Couper, Craig, Elliott, Gaskin, Givens, Harkness, Kent, McCann, Millan, Nickle, Rigney, Ross and Sands.

These communications and petitions were read and referred to committees:—

Board of Education, asking for \$37,553 for the current year.

N. C. Chapman asking that his statute labor law be struck off.

L. Guild and G. Hanson, asking to furnish the civic office with directories.

William Bonny and M. J. Lawless, appealing against his statute labor taxes.

William Pillar, secretary of the farmers' association of Frontenac, asking council to petition the dominion government to establish an immigration agency in Kingston.

Peterboro board of trade, asking that delegates be sent with a deputation from other municipalities to urge the dominion government to complete the Trent waterway.

City Treasurer Ireland, asking for an additional grant of \$50 for clerical assistance.

T. H. James, for the licensed cabmen, expressing gratitude for the favorable recommendation to the fire and light committee and regretting that they are not treated in the same way as the street railway company in the matter of exemption.

George Crawford, asking that two trees be removed from his property on Brock street.

William Fee, objecting to the construction of concrete walks.

Peterboro board of trade, asking that a committee be appointed to meet the Frontenac Historical Society on the 14th to discuss the beautifying of the city.

George Lloyd, C. N. Veale and J. W. Olden, applying for the position of plumbing inspector.

R. J. Hooper, asking for reimbursement for planting of trees on Albert street.

Edward Briesland, reeve of Wolfe Island, asking that a light be placed on the wharf at the foot of Clarence street.

David A. Sinclair asking for payment of wages while ill on account of an accident.

Rev. Father Kehoe, asking to be reimbursed \$75 paid for rent of the city hall for St. Mary's banner.

Robert McPee, offering \$75 a year for the smelter site premises.

Jessie M. Bell, secretary of the Y. W. C. A., applying for two tennis courts in the city park.

Dr. D. E. Mandell and others, petitioning for a concrete walk on Brock street.

Robert J. McGea, asking for refund for statute labor tax.

Joseph Carrington and others, asking that the city make a thoroughfare through the smelter site.

Sisters of Hotel Dieu, asking for increased grant.

W. Jarvis and others, petitioning for the extension of Patrick street through to Steeles street.

The Deputations.

There were two deputations that waited upon the council. The first was from the general hospital, and consisted of G. Y. Chown (chairman) and the board of governors, W. B. Shimer, F. W. Spangenberg, F. G. Lockett, James A. Minnes, A. Robinson, Carey, B. W. Robertson, R. Waldron, Rev. S. Tighe, Charles Livingston, Robert J. Carson, John McIntyre, T. McK. Robertson, Dr. Duff, Dr. Massie, Dr. Anglin and Prof. D. H. Marshall.

G. Y. Chown introduced the hospital deputation and was the chief spokesman. He presented this should be increased to \$3,500, divided thus: General grant, \$2,500; isolation grant, \$1,000. Mr. Chown pointed out that the expenses of the hospital were lower in the provinces, and the civic grant was the smallest. He claimed that the general hospital was not getting the assistance from the city that it deserved. The general hospital was the city's hospital, and the first duty of the city council was towards it.

R. J. Carson, J. A. Minnes and C. Livingston spoke about the way the governors were economizing. The isolation wards cost \$1,500 to maintain, and the revenue from them last year was only about \$79. Unless the civic grant was increased, Mr. Minnes said, that the governors would simply have to close the doors of the hospital.

BOTH FOOD AND MEDICINE.

We like best to call Scott's Emulsion a food-medicine. It is a term that aptly describes the character and action of our Emulsion. More than a medicine—more than a food, yet combining the vital principles of both. It is for this reason that Scott's Emulsion has a distinct and special value in all wasting diseases. There is nothing better to remedy the troubles of imperfect growth and delicate health in children. And delicate health in children is just as effective in treating weakness and wasting in adults.

ACTIVITY AT COBALT

HUGH MACPHERSON TELLS OF WHAT HE SAW.

The Foster Mine One of the Surprises of the Year—Story of the Discovery and Progress of This Property is Interesting.

High Macpherson, of the Ontario Power company, who has just returned from a business trip through the west and north of New Ontario, states that tremendous activity is taking place in that region, and that in one of the greatest producing regions in the country, if indeed, it has not already left others far in the distance.

The whole community is prosperous, ready to invest money wherever the claims show up well, and it may be said that the whole area within a radius of five miles around is one vast camp. Cobalt, last fall, was a town of tents. During the winter, many houses have been erected, while prospecting has been going on. Hailbury and Lindsay are also growing fast, as new lines of business are taken up with the heavier demands as the population increases. Charles H. Webb, of Woodstock, N.B., proved "Catarrhozone" his head, he says:

"For a number of years I was troubled with systematic catarrh. It was a very tenacious form of the disease I had and nothing seemed to help.

I commenced using Catarrhozone and got relief. To build up my system I also used Ferreroze. This combination can't be beaten. I wish to add my recommendation as I found these remedies just as advertised."

CASE ADJUDGED.

The Warden of the County Hit in Face.

"So near and yet so far," was demonstrated to a niety at this morning's session of police court, when the battles of last Wednesday night, in the Windsor Hotel, over the county dead-end, came under Magistrate Farrell's eye. When part of the evidence had been given in the prosecutor's behalf, an adjournment was made, J. M. D. Robertson, Jameson and Thomas Bonner, you are charged with unlawfully interfering with W. J. Franklin on Wednesday night, March 7th," quoth the court.

"No, guilty," replied the two as in one voice.

The warden of the County of Frontenac, took the box. He remembered the eventful evening, he was stopping at the Windsor hotel. About 11 p.m., en route to his room he was struck twice in the entrance hall by a man's fist.

The second witness, William Fleming, said he was on deck last Wednesday and saw the fracas. He thought as far as Franklin was concerned, he was in the face. He recognized the defendants as the men behind the fists. As far as he saw, Franklin gave no provocation for the blow. Mr. Franklin was bleeding from the nose and his eye was black.

T. F. Fisher, appearing for the defendants, reviewed the court and asked for an adjournment owing to the fact of the absence of material witnesses. The case was adjourned until Saturday morning.

The Hotel Dieu's Claim.

The Hotel Dieu sisters sent a petition, instead of a deputation to the city council last evening, for increased grant. The petition stated that the Hotel Dieu annual deficit averages about \$1,500. During the last year there were 1,467 patients treated, at an average cost of 55c. a day, while it cost 76c. a day at the general hospital. The petition asks that the city should grant the Hotel Dieu during the year than in the general hospital.
