"The Perfect Food"

There's nothing else like it. Nothing so good. Nothing

that can take its place. Mixed with pure barley malt extract, the cooked whole wheat is rolled into little wafer flakes-every grain of wheat a flake-then baked in great, clean ovens till it's crisp and brown, "done to a turn", the most delicious, the most healthful food in the world. And that's the way it comes to you in sealed, air-tight, dirt-proof packages. All grocers. Now 10 cents.
