BOARD OF HEALTH

VINDICATION OF HON. DR. SULLIVAN.

The Infectious Department at Hotel Dieu to Be Closed—Report on Milk Supply of City—Board Meets Tuesday in Future.

The board of health met Monday afternoon, shortly after four o'clock, the members present being John McIntyre (chairman), Messrs. Thompson, Evans, Corbett, Reeves, Dr. Hanley, Mayor Monat, Commissioner Gordon, City Clerk Shannon, Health Officer Bell, and Hon. Dr. Sullivan.

Dr. Sullivan then explained his course. He had attended the case of a man named Kennedy, which was truly smallpox. Later he was requested by Mr. McIntyre to look into some seven cases in the Hotel Dieu. These were in charge of Dr. Bell, who pronounced them smallpox. The speaker declared they were not, but in visiting them he took great risks as they were isolated in a smallpox hospital.

J. D. Thompson reviewed the case as he was acting chairman of the board of health at the time, and thought Dr. Sullivan should be vindicated. Medical Health Officer Bell maintained that he visited the cases in the Hotel Dieu from the first day to the fifth day, and also pronounced them smallpox. Dr. Sullivan had not seen them till after the 12th day, and therefore was in no position to judge of the cases. This view however, was not concurred in by the board.

On motion of J. D. Thompson, the chairman, the mayor, and himself, will constitute a committee to draft a resolution vindicating the actions of Dr. Sullivan at that time. The next business before the board would be to secure the passage of a by-law, covering against spitting on the streets and in the parks.

Dr. Bell next introduced a bill asking the board to secure the passage of a by-law, covering against spitting on the streets and in the parks. The members were much in favor of the prohibiting of these sales as the cast-off clothing was the means of carrying much infection.

Proposal to Remove Knox From Toronto to Kingston—Presbyterian Church Would Effect a Big Saving.

A scheme for the amalgamation of Knox Theological College, Toronto, with Queen's University, is under consideration. At present the scheme has got little beyond the period of suggestion, but it is known that prominent Presbyterians in Toronto strongly favor the amalgamation as being in the best interests of the church.

Reports showing the city's water supply to be maintaining its high state of excellence were also presented. A Jolly Affair—The Easter Monday Dance.

Always the jolliest of successes the little gathering of the Fortnightly Club, in Whig Hall, Monday evening, proved the happiest of social affairs, and a bright Easter Monday opening to the round of gaiety after the Lenten season.

GRAND OPERA HOUSE

THE MARKS' COMPANY IS ON THE BOARDS.

May A. Bell Marks the Principal Villain a Mark for the "Gods"—The Specialties Are Up to the Mark.

The opening night of the Mark Bros. Dramatic company at the Grand Opera House last evening was a decided success. The company is a well-balanced one and gave a performance which was up-to-date in every particular. The piece presented was "Lost in London," a dark side of life in the great metropolis, picturing a scene of suffering, misery and crime.

May A. Bell-Marks in the dual character of "Annie Meadows" and "Nan, the Flower Girl," was natural in the conception of her roles, her dialogue was clear and distinct, while her dramatic powers proved her to be an actress of ability. Nina Grey, as "Liz Jackson," and Marie Appell, as "Bibby Maloney" of the county Cork, were happy in their efforts to please and were frequently applauded.

The specialties were far above the average. Miss May Bell-Marks sang very "Wait Till the Sunshines, Nellie," and being recalled sang in beautiful voice, "Starlight." The acrobatic and gymnastic work of the Gregory family (four in number) could not be surpassed, and were repeatedly recalled. George Marks in the rooster act created great fun. Rawley and Gay, Scotch dancers and pipers, with their rich national costumes and beautifully executed dances and dancing, were the recipients of much applause.

Mr. Todd is the architect who laid out Mount Royal in Montreal, and is at present engaged by the Dominion Government for the magnificent improvements to be made at Ottawa, at a cost of \$60,000.

LOOK FOR SPRING HUMORS. They Group Out Constantly Showing the System Needs Purifying. Since time immemorial it has been customary to take "spring medicine" and why?

All winter your clothes have been heavy, you may not have bathed so frequently, and you've eaten a lot of strong heavy food. Consequently the pores of the skin have not eliminated very fast, the liver is sluggish and the whole system clogged with impurities. Spring days bring poisons to the surface and ultimately they will break out in rashes, humors and pimples.

Before spring sickness arrives, you should cleanse and purify the system with Dr. Hamilton's Pills of Mandrake and Butternut.

At once you'll feel their mighty influence building up weak spots, clearing out disease, and putting you again on your feet.

These purely vegetable pills change your tired worn-out condition to one of health and vigor, because they supply the body with nourishing blood that builds up and enlivens the entire system.

John Whitley, of Stairwood, P.O., Ont., knows the merit of Dr. Hamilton's Pills and says: "I would be alive to-day had it not been for Dr. Hamilton's Pills. Last winter I was sick with grippe and when spring came I was weak, bilious and rheumatic. I used enough medicine to cure twenty times, but I didn't get any help till I tried Dr. Hamilton's Pills. They purified—my blood, took the yellow color out of my face, putting tone in my stomach and increased my appetite. The bilious attacks and rheumatic pains gradually departed and Dr. Hamilton's Pills made a new man of me. I proved their merit and proclaim them a medicine for all men."

If better health and prompt recovery are important, get Dr. Hamilton's Pills of Mandrake & Butternut to-day. At all dealers, 25c per box or five boxes for \$1. By mail from N. C. Paxon & Co., Hartford, Conn., U.S.A., and Kingston, Ont.
