# For the 20th of April We Emphasize HOSIERY

"What," you say, "is it possible that nearly four months have been marked off our 1906 calendar?" Truly so, and we want right now to impress you with a summary of the most pressing needs you and you family will have for the next few weeks. HOSIERY-HOSIERY-good and neat, strong and serviceable HOSIERY-HOSIERY-will be the call from every side. Next week the children will again be at their books and will naturally play all the harder out of school hours than they have during the holidays. You know what that means-hard wear on stockings every minute. Then you and "the man" will want your new lighter weight hosiery for the warmer weather that has come. All this means new hosiery, new hosieryall kinds, and plenty of each. Almost enough to make the thought appalling if we were not here to serve you. But keep us in mind always, and our motto, "Hosiery for All."

It's hard to realize values from the mere reading of cold print-not until one arrives in person and handles the goods, is the full understanding attained. Will you visit us to-morrow?
