"I tell you, Sir, I know Bu-Ju' will cure you."

"I have seen hundreds of cases treated by 'Bu-Ju' and CURED-after all other treatment had been a complete failure.

I know of acute attacks of Bright's Disease, successfully overcome by 'Bu-Ju'-and the diseased kidneys completely

I am acquainted with men, who were all crippled up with Rheumatism and suffered agony with the pain. To-day, they are well and happy-thanks to 'Bu-Ju.'

I know of women-whose kidneys were weakened by childbirth-who regained their former robust health with no other medicine than 'Bu-Ju:'

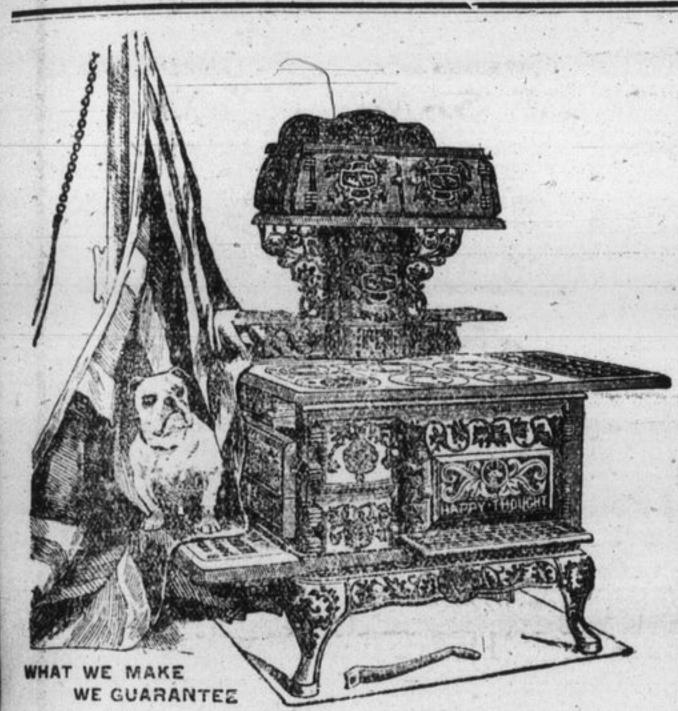

I know that 'Bu-Ju' will do you good-will make you feel better and will cure you of Kidney and Bladder Troubleand Rheumatism.

If your hands and feet are swollen_if there is a constant desire to urinate-if there is pain in the back and through the hips-if the bowels are constipated-stomach upset-I tell you right now to take 'Bu-Ju.'

They are guaranteed to cure you. If they don't, you can get your money back."

MORE LIGHT THROWN COLD CURE IN THE VEXED QUESTION OF

VACCINATION. Prof. Dufty Says it is An Infringement of Personal Liberty-Ranks it With Slavery

and Religious Persecutions. Kingston, April 23 .- (To the Edi tor) : Since writing to the papers on the subject of vaccination in particular, there has been a good deal of discussion on this question. This was the design of the letter which appeared in the Whige of the 17th inst. 1 am told by some who favor vaccination, that I should keep to my profession, and mind my own business. Let it be said that in this matter I claim only what is the right of every free man, the right to express opinions on this or

welfare of all the people. It is none of my business-well let us see. If the compulsory laws are inforced in this city, as long as I am a resident here, am I not compelled to comply, or be subject to a fine or incarceration in jail, and be treated as an outlaw, and a criminal with all that that implies?

any other subject that concerns th

It was my privilege to go with some friends to one of our city churches, last Sunday morning, and listen to one of the popular pastors of the city be fully persuaded in his own mind," Amongst many other things spoken o was the subject of compulsory vaccination, and the text was applied in a very eloquent and forceful manner to this subject. It will be remembered that freedom in this matter is what we are contending for. Freedom speech, and freedom of action. As free man, I claim the right to the control of my own body, as long as I am sane and in health. We claim that compulsory vaccination is an infringe ment of individual liberty, and ranks with slavery and religious persecutions, and should not be tolerated by a free people. We hold that no mai nor no set of men, call them what you will, should be entrusted with a chance of tampering with a fellowman's blood. Especially when there i such a disagreement among its most earnest advocates, as to th of horse grease, cow-pox, glycerenated lymph.

it what you choose) should be used. If we submit to be inoculated with one kind of lymph where are we going to stop, when we have scrums. anti-toxins, and lymphs galore? In fact we have some kind of nostrum that is lauded to the skies for every real and imaginary disease that he man flesh is heir to.,

It is generally admitted that smallpox is a filth disease. It has also been proved times without number, that cleanliness of body and surroundings is the best, and it might be added, the only real preventive of small pox or for the matter of that, an other disease. What we advocate hygiene, personal and sanitary. these were studied and practised small-pox would soon be a thing of the past. We hear a great deal of late about beautifying the city. Would it not be more to the point, if w heard more about cleansing the streets and lawns, and back yards. It is notorious that on Princess street (which with a little expense and la bor could be made a credit to this fair city), the accumulation of mud months has only just been removed. streets, where little or no attempt has yet been made. The question of-ten suggests itself, "Would it be any small-pox or some other disease? justly proud. "Beautiful for situaterprising people, surely our board of their energies, as suggested without resorting · to compulsory vaccination, which is so objectionable to a large and ever-increasing number of people. Let it be remembered that anti-vaccinationists are a law-abiding; peaceable people, who believe in using all natural and honorable means of preventing disease, and only object to innatural and dishonorable means. PROF. J. DUFTY, M.P.A.

Degraded For Odd Offence.

Berlin, April 27.-An officer of the th company of the 87th Infantry Reiment has just been sentenced to months' imprisonment and graded under strange circumstances He was on duty from mid-day unti he next morning. During the night he would not allow the men under his command to fall asleep, but com pelled them to play cards with him until next morning. The soldiers lost the little money they possessed to the officer. There were complaints, and the officer's explanation not being tisfactory he was court-martialed and ound guilty.

Price Of Twine. Mr. Elson was told by Hon. Mr Fitzpatrick that the government manactured binder twine at the penitentiary, and on March 30th last there were 736,200 pounds on hand. There had been some twine left over from year unsold. The government also manufactured rope at the penitentiary. The probable price of twine coming season would be, in lots, 114c. a pound for pure manilla, and 104c, a pound for mixed. n ton lots it would be Hc. a pound
