OF FATHER REVEALED TO

Body is Found in Water Beneath Bridge as Seen by Young Woman in Dream.

GIRL IN VISION.

London, May 9 .- An unusually in teresting instance of "second sight is reported from Accrington, Lancashire. A young woman, on he deathbed not only announced he father's death, but described the spowhere his body lay, the fact of father's death not being known anybody at the time. The man in question was Isaac

Marsden, fifty-three years old, who lived in Stevenson street, Accrington. His daughter, twenty-five, years old, had been, wasting away with consumption for months. About a week ago Mr. Marsden dis-

Miss Marsden was deeply distressed by this event. On Saturday she told those who were at her bedside that she had seen her father's form. "You will find his body in the water

at Aspen Bridge, Oswaldtwistle," she

About an hour later Miss Marsden died. Yesterday Mr. Marsden's body was found in the canal at the spot take your Peruna. I can tell you with named by his daughter. entire truth that I do four times as

ROBBIN'S REEF

Will Be Sold at Auction in New

New York, May 9 .- By order of th new Jersey City court of chancery 16.15 acres of Oyster Island and 7.29 acres of Robbins' Reef, all of which are under water in New York Bay, within the boundary lines of first ward, New York City, will sold at auction by Auctioneer Fredone needs to be convinced of the pricecrick Wolbert, on Montgomery street Jersey City, this afternoon.

This lady was changed from an invalid The late George Cook, state geolointe a tursy house wife. She asserts that gist of New Versey, applied to the through Peruna she is able to do four times as much work as before, that she for the riparian rights around the is- Orr, 213 Bagot street. She came over does not take colds any more, and that lands. He claimed title to the land by virtue of grants secured originally three classes there were almost two the rheumatic pains and constipation which had troubled her have disfrom Lord Berkeley, in 1632, and confirmed by the Duke of York, who had granted all of East Jersey, including the islands in New York Bay, to Berkeley. The Duke of York received his grant from Charles II.

For nearly a century the question of jurisdiction over the islands has been a matter of dispute between New Jersey and New York, A treaty commission, seventy-five years ago, deci !- withstanding. Those present were Aled in favor of New York, and the su- dermen Givens (chairman), Cooke and preme court of New York held that the state had absolute control of property rights. The court of appeals versed this decision and held that the word "jurisdiction" in the treaty imply referred to police jurisdiction. The action of Chancellor Marie, in ordering the sale of the islands will again bring up the questions raised when the treaty was drafted. The sale is the result of a suit brought by the heirs of Prof. Cook against railroad corporations having interests in the riparian rights in the bay. The sale of Robbin's Reef is subject to the rights of the United States govtake to settle the stomach, when they had ernment to maintain a lighthouse sick headache. And there is nothing
