APPLICATION FOR PATENT should be made at the end of three years, before the Local Agent, Sub-Agent or the Unimproved Lands Office.

Before making application for patent the settler must give six months' notice in writing to the Commissioner, Unimproved Lands at Ottawa, of his intention to do so.

CHILD'S AWFUL SKIN TROUBLE

Screamed with Pain—Suffering Nearly Broke Parent's Heart—Twelve Years of Misery—Doctor Called Case Incurable—Helped from First, and

SPEEDILY CURED BY CUTICURA REMEDIES

"I wish to inform you that your wonderful Cuticura has put a stop to twelve years of misery I passed with my son. As an infant I noticed on his body a red spot and treated same with different remedies for about five years, but when the spot began to get larger I put him under the care of a doctor. Under their treatment the disease spread to four different parts of his body. The longer the doctors treated him the worse it grew. During the day it would get rough and form like scales, and at night it would be cracked, inflamed, and badly swollen, with terrible burning and itching. When I think of his suffering, it nearly breaks my heart. His screams could be heard down stairs. The suffering of my son made me full of misery. I had no ambition to work, to eat, nor could I sleep.

"One doctor told me that my son's eczema was incurable and gave it up for a bad job. One evening I saw an article in the paper about the wonderful Cuticura and decided to give it a trial. I tell you that Cuticura Ointment is worth its weight in gold; and when I had used the first box of Ointment there was a great improvement, and by the time I had used the second set of Cuticura Soap, Ointment, and Resolvent my child was cured. He is now twelve years old, and his skin is as fine and smooth as silk. (signed) Michael Steinman, 7 Summit Avenue, Brooklyn, N. Y., April 16, 1905."

Complete External and Internal Treatment for every case of Cutaneous Eruptions, including Eczema, Scabies, Itch, and all other skin diseases. A single set of Cuticura Soap, Ointment, and Resolvent will cure you. Write for a free trial box. Address: CUTICURA, 111 West 17th Street, New York, N. Y.

The Wornout Nerves, The Weak Heart, The Tired Brain, The Wasted Strength.

What a multitude of women there are who feel that these words exactly suit their case. From early morn until late at night they have been on the go, year in and year out, attending to the daily household duties, looking after the wants of her children and spending the rest of her time attending to social and church work. Is it any wonder then that sooner or later there comes a general collapse? The action of the heart becomes weak and palpitating; the nerves become unstrung, the brain feels in a whirl half the time and the usual force of vitality is lacking.

Is it at this time a woman should look after herself. If she does not, serious female disorders may set in and often cause weary months and years of helplessness and miserable suffering. What she wants is something to build up her system. For this purpose there is nothing so equal

MILBURN'S HEART AND NERVE PILLS

They are the women's friend in every case of the kind.

They will strengthen the weak heart, tone up the shaky, aching nerves, make the brain clear and restore the lost vitality. Mrs. George Johns, Stanley Section, N.S., writes: "I was greatly troubled with weak and dizzy spells and was so run down I could not attend to my household duties. I bought two boxes of Milburn's Heart and Nerve Pills and after taking them I found that my trouble had all passed away. I am now strong and healthy again."

Milburn's Heart and Nerve Pills are 50 cents per box or 2 for \$1.25. If your dealer does not handle them, send for them to The Milburn Co., Ltd., Toronto, Ont.

What Shall We Feed The Baby?

While it is always admitted that mother's milk is the best food for the baby, it must be remembered that many mothers are unable to properly nurse their infants. In such cases a substitute is required—nourishment that can properly take the place of healthy breast milk.

Lactated Food is the only prepared food that contains the five principal elements of mother's milk: proteids, fat, carbohydrates, mineral salts and water. Lactated Food is absolutely pure, wholesome and as digestible as the healthiest breast milk. Lactated Food contains no cane sugar or free starch; it is palatable, nutritious and soothing to the weak stomach. It prevents dysentery, cholera infantum and other troubles in the hot weather; it keeps the baby bright, happy and strong. Ask your druggist for it.
