FOR ITS ERECTION.

It Will Be of Stone Some 80x60 Feet and Three Stories High -To Be Built North-East of 'Medical Collegé.

Arrangements are being made for of the biological building to be built by the Ontario government for Queen's Medical College. The medical building committee has had several meetings, and it is about decided to erect a stone building eighty by sixty feet, and three storeys in height. This will be about the size of the engineering building, also erected by the Ontario government during the regime of the Hon, George W. Ross. The site chosen to \$1,050,000. This would mean a big is just north east of the medical building. It is proposed to have the front of the building face the rear of the principal's and professors residences, so that there will be a quadfirm, are to build a high spe . . the principal's and professors resi-ban line, costing \$2,000,000, between Hothester and Lockport for a syndicate represented by Frederic Nicholls, E. R. Wood and Sir Henry M. Pellatt, of Tobetween the biological and pymnasium buildings. Power & Son will be the proverbial "red fire." Places were

ARRANGEMENTS BEING MADE THE CHILDREN VERY LOYAL

LY CELEBRATED.

Armouries Were Thronged and a Patriotic Time Was Spent-The Songs Were Very Captivating.

Empire day was most enthusiastical-celebrated to-day by the school kiren. The board of education desired to emphasize the day with the purpose of instilling loyalty to and patriotism for Canada and Britain. It is quite likely the little folks caught the inspiration and are better for the spirit the celebration inspired. The committee, in charge of Trustees Godteachers, made the demonstration go with a swing and enthusiasm that grew infectious as the day wore on. leries, greatly enjoyed the spectacle.

The children assembled at their various schools at 1:15 o'clock and came trooping down to the armouries in battalions. They were all prettily assigned the various schools and the children marched in with regular step and were seated. It was a thrilling sight to see the great drill hall filled with "the hubbling youth of the city" and to catch the spirit that domina-

Proves That Parasites Cause Hair

Nine-tenths of the diseases of the scalp and hair are caused by parasitic germs. The importance of this discovery by Prof. Unna, of the Charity most expensive character fail to cure dandruff; because they do not and they cannot kill the dandruff germ. The only hair preparation in the world that positively destroys the druff parasites that burrow up the scalp into scales called scurf or dandruff, is Newbro's Herpicide, In addition to its destroying the dandrul germ Herpicide is also a delightful hair dressing. Sold by leading druggists. Send 10c. in stamps for sample to the Herpicide Co., Betroit, Mich. G. W. Mahood special agent.

The strongest proof you could have is to know physicians recommend Gibson's Red Cross beef, iron and wine, WORTH: agreed to move from their present 50c. bottle. Take no other. Mrs. Moe, a Winnipeg washerwoman, was fatally burned while at work.
