Inflammatory RHEUMATISM Muscular Sciatica and Neuralgia are Cured by "Bu-Ju"

"It is with much pleasure that I send you this testimonial, regarding the wonderful benefit I have derived from the use of Bu-Ju Kidney Pills, for Inflammatory Rheumatism, and was led last until about 4 months ago, when an old friend of the family called to see me, and left me some of your Pills. I began to feel better myself and can go without crutches. After taking the Pills I was as happy as an infant and had to be taken care of like one."

Sick, weak kidneys are responsible for Rheumatism, Sciatica and Neuralgia. When the kidneys are not well, they won't filter out uric acid from the blood. It is this poison, remaining in the blood and carried to joints, muscles, nerves, that causes the pain. The only way to permanently cure Rheumatism, Neuralgia, Sciatica—is to cure the CAUSE of the trouble—the Kidneys. The only safe, certain way to make sick kidneys well is to take "Bu-Ju"

"Bu-Ju" never fails—never disappoints. It takes away every trace of the trouble. 3c. a day will cure you if you take Bu-Ju.
