That King Edward Should Visit Canada.

IT WOULD LIKELY INVOLVE OTHER PLACES. It Would Be a Dramatic Moment

Colleges in Ireland. Blue Willow" in odd acceptance of the invitation to visit entirely a dominion affair, Canada, which it says, likely would inand volve also a visit to Washington and perhaps New York. "The alliance of Japan, the entente with France, the better understanding with Russia, followed by a visit to Washington and a meeting with President Roosevelt, which would be a dramatic moment, "Onion' pattern in pretty instinct with significance, sealing the reconciliation of the Anglo-Saxon races for ages to come," the paper declares, would make the years of his majesty's influence more memorable and beneficent than any equal period of

> Chief Secretary for Ireland Bryce, introduced in the House of Commons, yesterday, a bill authorizing a loan of \$22,500,000 to provide laborers' cottages in Ireland. Mr. Bryce explained that the loan would be raised on the same terms as the land loan. He estimated the cost of a cottage and land to be about \$850, so that between 25,000 and 30,000 would be erected. John M. Redmond, Irish Na tionalist, congratulated Mr. Bryce and said he accepted the measure as ar honest effort to deal with grievances of great magnitude John Burns warns the labor party

any previous reign.

not to isolate themselves from men who are not manual laborers. For labor men, he says, to cut themselves off from the best and brightest spirits of mankind simply because these have not been hewers of wood and drawers of water, is to cut off the path for their own advancement in the near futture, and to inflict upon themselves disability, which one day they will find the folly and mistake of doing. The Royal Army Temperance Associ ation of Britain has a membership of 17,665. Twenty-four thousand of thes are in India, and of the remaining 22,776 no fewer than 19,365 are total abstainers. The Duke of Connaught, it presiding at the annual meeting London, on Friday last, said sobjety was on the increase in the army and the war office recognized that in raising the morals of the soldier the association played an important part.
