The News of the Class of Goods the Packers Turned Out Was Not New to Him-It Was a Colossal Fraud and Men Should Be Punished.

Kansas City, June 5.—Gen. Nelson I. Miles, on his way to Colorado, last night, said : "The disclosures about packing house products now being exploited are no news to me. I knew it seven years ago. I told what I knew then. Had the matter been taken up

that time thousands of hives would have been saved. "I believe that 3,000 United States oldiers lost their lives because of adulterated, impure, poisonous meat. There is no way of estimating number of soldiers whose health ained by eating impure food.

"I have a batch of testimony the subject in the way of affidavits that I collected when I made my investigation seven years ago. The investigating committee closed the case and refused to hear 2,000 witnesses. whom I had ready. At that time . . could have secured the testimony of 10,000 men that the canned beef sold to the army was impure, adulterated and unwholesome.

"In my investigation of 'embalmed' peef during the Spanish-American war found poisons were used to preserve meat. My first intimation of the practice came to me in reports from commanding officers to the effect that the rations were unwholesome were making the soldiers sick. I orwere making the soldiers sick. I or- ed many mysterious signs, which the dered an investigation and learned police believe indicate a widespread from the reports brought to me that canned meats had been sold to the army which had been for months in the warehouse of the Baltimore and of the victims has become insane. Ohio railroad and in the docks at Liverpool,

"This meat had been relabelled and the terrible disgrace his son brought sold to the United States for soldiers' rations. I turned the reports over to the war department and a white-washing investigation was instituted and successfully carried out. The official report was that a colossal error had been made. As a matter of fact, it was a colossal fraud and the to the penitentiary.
