With shrewd carelessness, Stone- Detroit police tried to secure the arrode neglected to mention the amount of the heritage, simply using it to account for the abundance of funds with their "hands are tied."

which he was always supplied.
Stonerode, otherwise Fletcher, had the knack of attracting no attention to himself, appearing to be neither more or less than the ordinary bor-

Out of between twenty-five and thirty residents of Coraopolis who were pointed out as companions of the arrested man, only one was found who even as much as hinted at the penitentiary term which, according to information obtained by the detectives later, was served by the alleged forger about seven years ago in the Riverside institution. Boyd Stonerode first appeared in

Coraopolis about four years ago, having obtained a position as telegraph operators at the Coraopolis station of the Pittsburg and Lake Erie railroad. Neither did he play the hypocrite by going to church. So quietly and unostentatiously did the man conduct himself that there was no disposition on the part of his associates to inquire into his past and he never volunteered any information of the sort. The man paid his bills promptly, always carried a good balance with solicitor of customs here, to Henry Coraopolis and most of his financial ransactions were by cheque
