

A TERRIBLE EARTHQUAKE

An Awful Eruption of Prices in Men's and Boys' Clothing and Furnishings.

There has been sales, and clearing sales, held in Kingston in the past; BUT in the whole history of the retail clothing trade there has never been anything to equal the slaughtering that will be done at

RONEY & CO.'S for Fifteen Days, Commencing THURSDAY, JUNE 14th.

We believe in taking time by the forelock, and instead of waiting until everyone has bought their summer supply, our policy is to clear out our stock when the public want the goods—not when the season is about over.

We Have a \$25,000 Stock to Offer.

And every article in the store will be sold at prices which have never been equalled before. We have had a big trade this season, and now being anxious to reduce the stock, by at least one-half, we are satisfied to do business for fifteen days at a small loss. We believe it is good business, as we are always able to place before our customers **NEW FRESH GOODS, NOTHING OLD IN THE WHOLE STOCK.**

The big departmental stores in Toronto never offered such bargains as we shall give during these **15 DAYS.**

Our Clothing is up-to-date in style, fit and workmanship. No better made in Canada. We can fit long slim men, short stout men, big stout men, as well as the average man, and boys and children of all ages. In selecting our goods we have always paid particular attention to the materials, as well as the make and style; this places us in a position to give **OUR PERSONAL GUARANTEE WITH EVERY GARMENT SOLD.**

We are conducting this sale ourselves. We do not believe in employing outside fakers, who have only one object in view—themselves. We believe in straight business, as we want your confidence; well knowing that a satisfied customer is the best advertisement we can have. If (after making your purchase) you feel at all dissatisfied **RETURN YOUR PARCEL AND YOUR MONEY WILL BE REFUNDED AS CHEERFULLY AS IT WAS RECEIVED.**

Sale Opens THURSDAY MORNING, JUNE 14th, at Nine O'clock,

Store Will Be Closed June 12th and 13th

to enable us to go through stock, and reduce every article to slaughter prices.

WANTED--12 Salesmen and 5 Cash Boys.

We give you here the slaughter prices of some lines—we haven't space to go through the whole stock. Remember every article in the store goes—no reserve. All goods marked in plain figures. One price to everybody. All sales strictly cash, and under no consideration will goods be allowed out on approval.
