## The Watch-Dog in your Vest Pocket

But, your time alone may be worth far more than that. And \$200 per week might not pay for your suffering.

That's why "Cascaret" Insurance which prevents Sickness, is worth ten times as much money as other "Health" Insur-Yet "Cascaret Insurance" will cost you

less than Ten Cents a week. That gives you a "Vest Pocket" Box to carry constantly.

"Indigestion" means food eaten but only partially digested.

"Constipation" means food retained in the body undigested too long, till it decays. It then supplies the poisons of decay to the system, in place of the nourishment it might have supplied. Isn't that a tremendous handicap worth

insuring against? What does it cost to Cure Constipation or Indigestion, with their train of small and great ills, and to Insure against a return of them?

Not so very much. One 10 cent box of Cascarets per week,

One candy tablet night and morning, taken regularly for a short time, is warranted to cure the worst case of Constipation or Indigestion that walks the earth.

One tablet taken whenever you suspect you need it will insure you against 90 per cent of all other ills likely to attack you. Address Sterling Remedy Company, Chi-Because 90 per cent of these ills begin

Cascarets don't purge, don't weaken, don't iwitate, nor upset your stomach. No,-they act like Exercise on \$25.00 per week, for every week you are Bowels, instead, They stimulate the Bowel-Muscles to contract and propel the Food naturally

past the little valves that mix Digestive Juices with Food. They strengthen these Bowel-Muscles by exercising them.

The Bowel-Muscles can thus, is a short time, dispense with any Drug assistance

The time to take a Cascaret is the very minute you suspect you need one. -When your Tongue is coated a little. -When your breath is not above
