TWO CEREMONIALS AT ST. GEORGE'S CATHEDRAL ON SUNDAY.

Rev. Dr. Stone, of Chicago, Preached Two Able Sermons—Ordination and Confirmation Services Held.
Despite thunder showers a large congregation attended the ordination service in St. George's cathedral on Sunday. The bishop attended by Canon Starr, his domestic chaplain, was preceded by Canon Loucks, Cooke and Grant, Rev. W. Lewis, S. Tighe, W. W. Burton, R. S. Wilkinson. The choir was in full strength, and sang their part with credit. St. George's rarely fails to receive. The service was conducted with notable precision. Canon Starr sang the litany. Rev. Dr. J. S. Stone, of Chicago, impressed his hearers by a remarkably forceful, direct and expressive sermon. It was a rare presentation of the duty alike of clergy and people—the loftiness of the ministerial service, but of its demands of patience, forbearance and love; of its dangers of yielding to popularity and mild sensation; of the hard work and the wearing out with near devotion for the living compared with the rewards of the secular world, but of its glories of accomplishment, not always known of men, but upon imperishable record. In the people he urged avoidance of unjust and harmful criticism, and the substitution of prayer for their minister, that through their devotion and co-operation he may be strong. They should consider that he is but man, therefore human, but a man who bears a message that calls for respect and favor.

Those ordained to the diaconate were: C. A. Bilkey, R.A., A. O. Cooke, B. N. de Poe Wagner, Robert Gay, W. Ainger Powell. Elevated to the priesthood: Rev. H. R. Trumppour, M.A., Rev. C. F. Lancaster, E. A. Rev. Walter Cox, Rev. W. Hatt Lipscombe. The candidates were presented by Archbishop Carvey, examining chaplain. As having passed the list in examinations, Rev. Mr. Wagner read the gospel. The bishop was celebrant at the communion service.

Rev. H. Gay has been appointed to the charge of the mission of Bannockburn and Millbridge; Rev. E. A. Powell to the mission of Coe Hill; Rev. L. N. Wagner to the mission of Macintosh; Rev. C. L. Bilkey to the curacy of St. James', Kingston, Rev. Messrs. Lancaster, Cox and Lipscombe remain at Wolfe Island, Clarendon and St. Paul's, moves to Fredericton diocese, to become headmaster at Rothney school for boys.

At the confirmation service in the evening, Dr. Stone took as text the second verse of the third chapter of the First Epistle of John: "Beloved now are we the sons of God; and it doth not yet appear what we shall be; but we know that when He shall appear we shall be like Him; we shall see Him as He is." These words formed the basis of a simple and earnest discourse to those about to be received into church membership; who were coming forward full of hope and confidence in the gift of the Holy Ghost. The preacher spoke of what was expected of those confirmed and what they who put their trust in Christ, might expect to receive. First, there must be loyalty to God, to His church and to our neighbors. We must do our duty both to God and to humanity. Next, service is expected of us. Not only must we think of our own salvation, but we must also concern ourselves with that of others. If we are not set to live the gospel, a Christian who seeks only that he himself may be saved is one who will in the end be lost. Devotion is the third thing required of the Christian. We must be grateful. The decline of religious life, the preacher said, begins with the decline of private prayer. Then public worship must be faithful, if attended. In return for loyalty, service and devotion, what does the Christian receive? There will be trials, for God first tests the cross before the crown. But life is not all a cross. There is the brighter side, when all tears shall be wiped away, and when He shall appear we shall be like Him; for we shall see Him as He is."

SENT UP FOR TRIAL. A Case Partially Heard Was Settled.

When John Woods, charged with burglarizing the McKay fur on the night of last November 18th, appeared in police court, this morning, the case assumed a more definite character. To the charge he pleaded guilty. "How do you elect to be tried?" "By jury, sir." Prosecuting Attorney J. L. Whiting, K.C., said an examination of witnesses would be waived and Woods was committed for trial. He will come up at the June sessions, this week, after the case against Charles Schaefer is heard. J. M. Wood appeared to tell the court that the fuss at the Royal Military College among families of attendants when Mrs. Julia Shea was charged with insulting language, had during the week's enlargement been settled and the magistrate used his blue pencil.

WHITE SQUADRON IS BETTER THAN EVER THIS YEAR.

Steamers More Beautifully Fitted Out, and More Perfectly Appointed Than Usual—Summer Schedule Will Begin on Sunday Week.
Chief Steward Sparham, of the White Squadron, has been sparing no pains, this season, in bringing his department of the steamboat service to the highest possible state of perfection. The result of his efforts shows that the steamers are more beautifully fitted out, and more perfectly appointed than ever before. Everything on board the steamers is just as the most particular of passengers could desire, and patrons of the company can feel assured that their every interest and want will be well looked after during the season. The crew of the steamer St. Lawrence will arrive here, on Wednesday, and proceed on board at once, so that a start for the 1,000 islands can be made on Thursday. The crew of the steamer Ramona will arrive on the Tuesday preceding. The last mentioned, along with the steamer Wanderer, will start for the islands on Saturday next. The summer schedule for the river boats of the company will be commenced on Sunday week, and continued throughout the season. The first excursion of the season will leave Kingston, for Ogdensburg and return on Thursday. After that, if the weather continues fine, the daily runs on Kingston among the islands will probably be inaugurated.

The agreement, by which the Folger steamers America and St. Lawrence will carry the Brotherhood of Canada's excursion, was signed last week. The first excursion of the season will leave Kingston, for Ogdensburg and return on Thursday. After that, if the weather continues fine, the daily runs on Kingston among the islands will probably be inaugurated.

In Sixty-Eight Minutes.
The steamer Toronto, of the Richmond and Ontario Navigation company, tore off a record run from Alexandria Bay to Brockville on Saturday. She made the run in 58 minutes and 18 seconds. The big steamer had the wind behind her, but there is no doubt that some of the fastest motors would have occurred if the weather had been more favorable. The distance from Brockville to Alexandria Bay is supposed to be anywhere from twenty-two to twenty-four miles, so it will be seen that the Toronto has made a record.

Marine Notes.
The schooner William Jamieson is unloading coal in Picton. The steamer Toronto had but few passengers on her down trip yesterday. The schooner Robert McDonald is at the G. T. R. wharf unloading hay from Lake Ontario. The yacht My Lady from New York, is expected to arrive on the 14th, on the route to the Rideau, to Portland. Swift's wharf: Steamer Rideau King for Ottawa, this morning. Steamer Belleville, down, yesterday. The steamer Donnelly entered the government dry dock this morning for general repairs. She will likely remain in all week. All along the Bay of Quinte ports, the people are well pleased with the service being rendered by the Lake Ontario and Bay of Quinte steamboat company, the steamer Aletha, keeping well to schedule time despite excessive freight. Business along the bay has been particularly brisk this year. The steamer Caspian will start her trips on the 23rd, and with the steamer North King will give their daily popular trips between Charlotte and the Thousand Islands, taking the picturesque Bay of Quinte route. The steamer Kingston daily trips the end of the month and enters into day excursion work during July and August. She already has forty excursions booked. On her trip to the islands, yesterday, the steamer North King had more than many from Rochester.

ST. MARY'S CATHEDRAL.
Two Hundred and Three Children Were Confirmed.
Yesterday, the festival of the Holy Trinity, was observed in St. Mary's cathedral. High mass was celebrated by Rev. Fr. McWilliams. The officiating priests were vested in robes of gold and red, and the ceremony was one of splendor. The archbishop presided on the throne, during the celebration of mass, assisted by Revs. Fr. Kehoe and Mea. The young people to be confirmed occupied the pews on both sides of the centre aisle, the young girls in their pretty garments of white, with veils, and the boys in black with white bairns neatly fixed to their arms. The boys confirmed were 101 girls and 102 boys. The gospels read at the mass were Matthew xxiii, 33-36 and Luke vi, 36-42. At the conclusion of mass the archbishop was vested in his episcopal robes, and wearing his mitre, immediately proceeded to impart the sacrament of confirmation on each of the candidates. He was assisted in the sacred rite by Revs. Fr. Kehoe and Mea. At the conclusion the archbishop made a practical address to the young people and in his paternal manner explained to them the benefits which confirmation conferred upon them. The spirit of the Holy Ghost touched their souls and gave them knowledge, piety, wisdom and the fear of God. It was one of the most momentous days of their lives, and he trusted they would always remember it and avoid all occasions of evil. He told them to shun the use of intoxicating liquors. The young people then pledged themselves to not touch any liquor until after they were twenty-one years of age, and also to live up to the rules of their faith by attending mass regularly and frequently, partaking of the most holy sacrament. The ceremony concluded by the young people singing a hymn to the Sacred Heart of Jesus, which was touchingly and beautifully rendered. The music and singing by the choir was very fine and appropriate. The altars were handsomely decorated with natural flowers. A large crowd viewed the procession as it left the cathedral. Next Sunday being the festival of Corpus Christi (or the Fete Dieu), if young confirmed will make their first communion, join in the procession of the holy sacrament, and afterwards dedicate themselves to the Sacred Heart of Jesus.

The next meeting of the Eastern Ontario Dental Association will be held in Gananoque. Dr. Sparks is on the membership and ethical committee.

Some very important matters will be before the civic light committee tomorrow afternoon. A number of tenders for extension supplies are ready for consideration. The new walk along the Hotel Dieu property on Johnson street will be begun this week. This is a walk that has been agitating some of the adherents of the old city. Complaints are being made that women are being subject to such annoyance by certain individuals. The latest scene of these "Slippery Jack" men is the "Orphan's Home," on Union street. The 14th Regimental band is wanted to take part in the welcome to the Gleanery Old Boys in Cornwall, on August 14th and 15th. The musicians are considering whether or not to tune their fiddles for the date. Two more brief rainfalls occurred on Sunday, one in the morning and the other in the afternoon. At night, the atmosphere became cooler, and this morning the thermometer registered about forty-eight degrees. Engineer MacGillivray, of the first brigade, is expected home from his vacation to-day, and is bringing with him a speedy coil, which, however, is somewhat oddly colored. The animal is almost pure white. Three of its feet are brown, and a black star graces its forehead. It will be impossible for the board of education to accede to the petition for the establishment of a fifth class this year, for the reason that they haven't the money, and no such expenditure can be undertaken unless the finance committee reports that they are funds.
