THE INDIVIDUAL CUP

To Be Introduzed at Communion in Chalmers'. Some time ago, the session of Chalmers' church decided to make a personal canvass of the church members to secure their views upon the question of the individual communion throughout the country. The elders found that the congregation was pracon or about July the First. | tically unanimous in favor of a change from the present system of common cup usage, in view of the modern atof disease. Accordingly the session has decided to inaugurate the usage of munion services. Next Sunday's quarterly communion will be the last for

JOHN GRIST DEAD.

Buried in Cataraqui Near Boyhood's Home.

A well known and highly respected citizen of Ottawa, passed away in the enty-nine years of age and had ailing for some time. The funeral tool ing brought to Kingston and laid in their last resting place at Cataraqui The late John Grist was born

Eng., on November 7th, came to Canada when child, his father, John Grist, of the ite solo "Jesus Lover of My Soul," Royal Engineer staff, being appointed to Kingston. Here in the Limestone city the subject of this sketch spent his boyhood days. He later chose the Embro, Revs. W. McIntosh, Principal profession of architect, and studied Hill, D.D., and Hugh Pedley, B.A. ander the then well known architect, were appointed a committee to Mr. Thomas, of Toronto. For some fer with First church, Kingston. time he followed his vocation in James Bryden, Mannville, Kingston, but later moved to Hamil-ton, to occupy the position commissioner for the Highland diviof draughtsman in the Great Western sion in Lennox and Addington coun railroad, which was then in the cil. The resignation was accepted. course of construction. Afterwards he James Gracie, formerly a was appointed on the staff of the grapher in the employment of the Fol-Royal Engineers, and remained with ger company, and now with the Temis-Henry Grist, as patent solicitors in Kingston old boys. the capital of the dominion. He retired about three years ago, and spent his declining years free from the cares of business. A widow, four daughters, and two sons, John T., of Minneapolis, and Henry I., of Portland, Oreloving husband and father.

Guilty Of Sacrilege.

Some time on Saturday morning the meanest and most contemptible piece of stealing which can possibly be recorded, occurred at St. George's cathedral. The vandals entered the sacred edifice and took away a quantity of wine used for celebrating the sacraments as well as a few other little articles. The crime must have perpetrated by some one closely touch with the surroundings of the building and of the vestry where the wine was kept. The police are quietly working on the case and, if Dame Rumor is to be believed, have clues which will implicate persons who belong to families well connected

Deserves An Increase. Auditor Miller, a painstaking, capable officer should get a substantial increase in salary. His work is highly important and no money expended shows better returns than that paid days the accounts were paid and then scrutinized a year after by auditors.
