### DOOM DOUMA

Practically—Won't Heed Its  
Proposals.  
THE NATIONAL CRISIS  
BECOMES GRAVER—STRIKES  
ARE SPREADING.

Workmen Fraternize With Soldiers  
and Sailors—Great Alarm—  
London Jews Ask Aid From  
British Government to Stop  
Further Massacre.

St. Petersburg, June 19.—The lea-  
ders of the Douma, decided, yesterday,  
in view of the importance of their  
work, and the gravity of the national  
crisis, not to entertain any message  
from the throne for the prerogative  
of the Douma. This decision will be  
presented to the Douma in the form  
of a resolution, and unquestionably  
will be accepted by virtual unanimity.  
The decision of the leaders was  
taken in anticipation of the possibility  
of an imperial message fixing a time  
for closure.

It was further decided to act on the  
report of the parliamentary commis-  
sion, headed by Deputy Tschepkin,  
now taking evidence at Bielsk, and  
to require the punishment of the per-  
sons guilty of the massacre without re-  
ference to the report of the minister  
of the interior.

Outlook Not Improved.  
London, June 19.—The Times, 24,  
St. Petersburg correspondent, stating  
that the government has abandoned  
its intention to dissolve the Douma,  
adds that, unfortunately, the outlook  
has not been improved by this de-  
cision. For, although it is to be al-  
lowed to remain, it has been decided  
to issue a manifesto against the  
Douma. The manifesto, which has  
been already drafted, warns the na-  
tion against attaching any impor-  
tance to the Douma's agrarian pro-  
posals, which, it says, under no cir-  
cumstances, will be adopted.

The strike movement is rapidly  
growing. The dock laborers in St.  
Petersburg are expected to quit work  
to-day. The workmen there and at  
Kronstadt are fraternizing with the  
soldiers and sailors. Great alarm pre-  
vails in Moscow and all the in-  
habitants are leaving the city.

Prominent Jews, in London, are  
seeking to move the government to  
prevent the recurrence of mass  
acres of Hebrews in Russia.  
A number of big financiers, headed  
by Lord Rothschild and Sir Samuel  
Montagu, visited Foreign Secretary  
Grey, yesterday, and discussed the  
matter with him. The result is un-  
known, but it is understood nothing  
definite was decided upon. Lord  
Rothschild, in his speech, said  
the situation was a delicate one,  
and had conferred with co-religionists,  
and it had been decided to await de-  
finite news, for which they had sent,  
before coming to a final decision.

TO SAVE MONEY.  
Two Persons Probably Fatally  
Burned.  
Cincinnati, Ohio, June 19.—Samuel  
Moreland and his wife, parents of  
Jockey Moreland, were probably fatal-  
ly burned by gasoline, at their home,  
yesterday, while attempting to reach  
a roll of money hidden near the  
stove, which had exploded.  
The money was what remained of  
\$500 sent them by their son to pay a  
mortgage on their home. Jockey  
Moreland has been riding with great  
success on the race tracks around To-  
ronto.

### KEAKI ABANDONED.

Impossible to Get Cloth to  
Furnish Soldiers.  
Washington, June 19.—It is probable  
that the khaki uniform for the army  
will be abandoned, except for troops  
serving at overseas stations, and the  
olive drab service uniform, lined for  
winter, and unlined for summer use,  
will be adopted for all troops serving  
at home stations. The quartermaster  
general of the army has made a re-  
commendation to this effect to the sec-  
retary of war, which, it is probable,  
will be approved. This action is taken  
because one firm holds the secret of  
khaki dyeing and material cannot be  
obtained to clothe the men.

THE WAR SUPPLIES  
Rather More Than Half From  
Chicago.  
London, June 19.—In the House of  
Commons, yesterday, War Secretary  
Haldane was questioned as to what  
quantity of Chicago tinmed beef was  
supplied to the troops in South Af-  
rica, during the Boer war, and what  
proportion of mortality entered on the  
records as due to enteric diseases  
ought properly to have been describ-  
ed from ptomaine poisoning. Mr. Hal-  
dane replied that rather more than  
half of the tinmed beef supplied came  
from Chicago. The last question he  
said he could not possibly answer.

RESULT OF THE FOG  
TWELVE COLLISIONS ON THE  
UPPER LAKES.  
No Lives Were Lost, But the  
Passengers on One Steamer  
Had Close Calls—Craff Al-  
most Cut in Two.

Detroit, June 19.—The latest reports  
show that twelve collisions took place  
in the upper lakes, on Sunday, as a  
result of the fog that day. This is a  
record. Four vessels of the Gibraltar  
fleet were participants in three of the  
mix-ups, and three of the boats are  
seriously damaged, the Steel King be-  
ing on the bottom in shallow water at  
some point on the Georgian bay, and  
the little steamer Kyrson, with twelve  
passengers on board, had a very close  
call at Whitehall, Lake Michigan, when  
she was caught on the bow of the  
Georgian. The Georgian, which was  
in two. Her passengers were res-  
cued and the little steamer was beached.

Married To A Dead Man.  
Prague, June 19.—Application has  
been made to a police magistrate by  
the wife of an artisan, for assistance  
in ascertaining the whereabouts of her  
husband. Yesterday, she stated that  
without any apparent cause, her hus-  
band, yesterday, disappeared. Her in-  
vestigation based upon particulars fur-  
nished by the woman brought to light  
the fact that the husband, on the regis-  
ter of the St. Petersburg, was listed  
as having died twelve years ago.  
To her distress the woman learned,  
that she had married a man who by  
some means had obtained possession  
of the papers of another individual,  
who died in 1894, and assumed the  
dead man's name, under which he had  
since lived with his wife, who had no  
idea that her husband's name was not  
his own. What induced her to change  
change his name, or why he has now  
disappeared, is for the present a mys-  
tery. The police are completely baffled,  
and all sorts of theories are advanced  
as regards the identity of the missing  
husband.

To Appraise Timber Berths.  
Toronto, Ont., June 19.—The govern-  
ment is the first steps to-  
wards securing a systematic invest-  
igation of timber berths, which may be offer-  
ed for sale soon. Practical and experi-  
enced men were sent last week to ex-  
amine the Sturgeon river and other  
points. Each party will con-  
duct its explorations and estimations  
in a most thorough and exhaustive  
manner.

Girl Wants Wages.  
Syracuse, N.Y., June 19.—Belle Mil-  
ler, sixteen years-old, has sued the es-  
tate of Horace McCarthy for \$100,  
which she claims as wages for three  
years she was first mate, cook,  
captain of the gig, driver of the mule  
team and general utility man on the  
canal boat George Hastings which  
plunged between this place and Watkins,  
during that time she did not draw  
any wages.

Likely It Was Bruce's.  
Sandwich, Ont., June 19.—It is be-  
lieved now that the body found in  
the river, here, on Saturday, was  
that of Mike Bruce, formerly employ-  
ed in the barrel factory, near the  
Canada Salt Works, Windsor, who  
appeared last fall and had not since  
been heard from. Bruce had threaten-  
ed suicide because of being out of  
work and homeless.

meeting of the board of governors of  
McGill University, Sir William Mac-  
donald intimated that he had now  
completed his arrangements for trans-  
ferring to the board, as trustees, the

REWARDS OFFERED  
FOR THE KILLING OF JEWS  
AND INFANTS.  
Petersburg Are Aiming to Earn the  
Rich St. Petersburg Are  
Posted by the Authorities.  
Berlin, June 19.—Prominent Jews  
here have been informed that at Mir-  
shin, Russia, wealthy Gentiles, pub-  
licly offered monetary rewards for ef-  
fective Jew baiting. The scale of remun-  
eration for outrages was \$5 to every  
one who killed a Jew, and \$1 for  
every Jewish baby killed. As a result  
of posting these offers, peasants of the  
districts are gathering and arming  
themselves for the purpose of earning  
the rich rewards by the murder of  
Jews. At Saratki, in Bessarabia, the  
authorities placarded the places with  
telegrams from St. Petersburg, which  
read "Death to the Jews; Kill them  
all," and signed Nicholas. The peas-  
ants, believing the command really  
came from the emperor, made violent  
attacks on the Jews killing many.

The Real Facts.  
St. Petersburg, June 19.—M. Jacob-  
son, a member of the commission, sent  
to Bielostok by the lower house of  
parliament, to investigate the Jewish  
massacre there, yesterday, received eight  
Jews and six Christians have been  
buried. The majority of the dead were  
killed with bayonets, or rifle bullets.  
The total of dead has not yet been  
established. A Casack, yesterday,  
killed a passing Jew. The city council  
has unanimously declared that the  
massacre was not the result of race  
hatred, but was due to provocation,  
and the troops and police participated  
in the outrages. The reports that  
Jews and revolutionists attacked the  
inhabitants are false.

DEAF MUTES ASSOCIATION.  
The Officers Chosen for the Next  
Year.  
Belleville, Ont., June 19.—The pre-  
sent session of the Deaf Mutes As-  
sociation, now meeting in this city, is  
the most successful yet recorded. Yes-  
terday's addresses were delivered by  
Prof. Denys and a programme of at-  
tention was held. Officers were  
elected as follows: Honorary presi-  
dent, R. Mathewson, M.A., Belleville;

Roberts, Toronto; secretary, William

Took His Life On Train.  
Winnipeg, Ont., June 19.—As a re-  
sult of a fit of despondency, John  
Morrison, a wealthy Englishman, took  
poison on the G.P.R. train as it was  
nearing Port Arthur. Morrison, who  
was on his way to join relatives in  
the west, boarded the train at North  
Bay, and during the trip to Port Ar-  
thur he seemed in the best of spirits.  
Sunday afternoon he withdrew to his  
section in the sleeper, and in the  
evening he was found dead. In the  
stomach were found a quantity of  
poison, and Morrison's pockets were found  
900 in bills of large denominations.  
His grip contained valuable jewelry,  
and his belongings bespoke wealth  
and position.

Hungary Faces Strike.  
Budapest, June 19.—Hungary is  
threatened with a general strike which  
will bring industry to a standstill in  
Hungary. Eighty thousand field  
laborers have agreed to strike at half-  
past five, but they stipulate that if  
their action fails in its purpose a gen-  
eral strike of all trades shall be de-  
clared. The strikers aim at forcing  
universal suffrage.

His Fourth Murder.  
Victoria, B.C., June 19.—Johnnie  
Jackman, the notorious Indian murder-  
er, hanged from the British Colum-  
bia penitentiary at New Westminster  
a couple of months ago, shot and  
killed Axel Smalle, a half-breed,  
over a game of cards, yesterday.
