Great Opportunities Confront the Buying Public

A large wholesale of Dry Goods and Clothing failed in Montreal lately, and the stock was sold by auction last week.

Our buyer was fortunate enough to be present at the auction, where he secured a great number of surprising bargains, including:

Ladies' Raincoats and Dusters, Ladies' Skirts, Ladies' Whitewear, Silk Shirt Waists, Silk Shawls, Lace Scarfs, Plain and Fancy Hosiery, Fancy Collars, Valenciennes and other Laces, Leather Hand Bags, Gentlemen's Suits. Raincoats, Trousers, Overalls, Negligee Shirts, Working Shirts, Underwear, Neckwear, etc.

Only part of the stock has arrived, therefore we cannot give more particulars now, but all particulars will be given in to-morrow's paper.

Again we say: "Keep your eyes open for To-morrow's Advt. which will give full particulars."
