All Over the Body — Skin Cracked and Bleeding — Itching Unbear-able — Cured by Cuticura in Thirty Days at Small Expense.

CURE BY CUTICURA

"I was afflicted with psoriasis for thirty-five years. It was in patches all over my body. I used three cakes of Soap, six boxes Cuticura Ointment, and two bottles of Cuti-

by bathing or using oil to soften them
the flesh would be perfectly raw, and a
light discharge of bloody substance
would ooze out. That scaly crust would
form again in twenty-four hours. It
was worse on my arms and limbs, although it was in spots all over my body, also on my scalp. If I let the scales remain too long without removing by bath or otherwise, the skin would crack and bleed. I suffered intense itching, worse at nights after getting warm in bed, or blood warm by exercise, when it would be almost unbearable.

The Constant Wearing of a Hat Propogates Dandruff Germs. with dandruff germs, the parasites would multiply all the quicker for lack of air. Baldness would ensue as the final result. Newbro's Herpicide kills the germs and stimulates unheal-Co., Detroit, Mich. G. W. Mahood,

A PROSPECTUS What Banking is Coming to

The Limit Bank of Canada; capital, \$1,000; incorporated 1906; rest, \$50. Head office, Limitville, Ont.; branches throughout the country. A general

son will be provided, and the best liquors and cigars. A stove will be provided (in winter), and customers will be welcome to sit around it and smoke spittoops to smoke, epittoons to every chair; eating tobacco free.

Ladies' Rooms.—A' luxurious suite of reading rooms, also writing and retiring rooms, are in connection with every branch. Stationery of every kind provided. An especially smug-faced junior clerk detailed to lick the stamps which the bank will also supply grat-

Farmers will find the bank rooms a GRAVING Calling

the world has ever seen. Squires is an accident so far as pugilism goes. Formerly a miner and Sunday school teacher, his ability to fight was brought out unexpectedly, and from a ember. Two years ago the champion Newcastle, ignorant of the fact that

HEREDITARY HABIT

curiosity as to this matter led

biting habit.

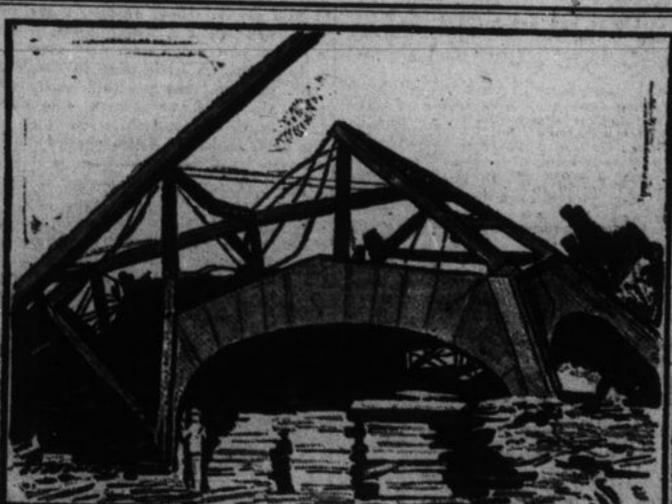

"There's no reason whatever why I should bite my nails. It is asserted by some specialists in nerve diseases that the practice springs from a certain form of nervousness, but I doubt if that can be true for I if that can be true, for I am actually the least nervous person on top of the globe, so far as I know. My mother was one of the most composed persons of her sex I ever knew. I have long since given up trying to break myself of the practice, which, being an involuntary and unconscious one, is almost impossible to control. I have, with the greatest difficulty, contrived at times

"Among other things, I've tried the and so there I was. Also, for a time I employed the plan of keeping my finger tips encased in thin patent metal tips, made for the purpose, but these things aroused so much curioof a road race from Woodstock to Beachville, and return, ten miles, to be run every Thanksgiving day. The race is to be known as the Oxford things on was always present.

be open to amateur runners of Oxford French medical journal of the great-The achievement of L. Gower of Ot- all of the school children of France banking business done; special attractions offered. Current accounts opened without formalities of any kind and interest allowed at the rate of five percent. on maximum daily balance. No objection is made to overdrafts. Special deposits received and interest allowed at the liberal rate of ten percent per annum, made up and added to principal at the close of each month.

The achievement of L. Gower of Ottawa, who played seven round of the links, travelling in all thirty miles, between 3.45 a.m. and 7.30 p.m., is said to be a world's record. The best previous performance of the kind was made by J. S. Judd and E. O. Smith, of the Springfield, Mass., Club, who played 108 holes, going around the course six times, and walking in all the course six times, and walking in all their finger nails, and the article expressed the writer's alarm over this fact, as showing that nervous diseases previous performance of the kind was made by J. S. Judd and E. O. Smith, of the Springfield, Mass., Club, who played 108 holes, going around the course six times, and walking in all their finger nails, and the article expressed the writer's alarm over this fact, as showing that nervous disease part of it, the showing is certainly a curious one. A very small proportion of the school children of the tawa, who played seven round of the links, travelling in all thirty miles, between 3.45 a.m. and 7.30 p.m., is said to be a world's record. The best previous performance of the kind was made by J. S. Judd and E. O. Smith, who disease part of it, the showing is certainly a curious one. A very small twenty-four miles. nonth.

The famous Ferris Wheel, one of the most striking features of the Chicago World's Fair in 1893, later of Coney Island and still later of the St. Louis Exposition, is no longer. With one hundred pounds of dynamite a wrecking crew in St. Louis reduced the famous Ferris Wheel to a tangled mass of junk.

Physicians Find it Runs in

"Heredity? Look at these finger that every one of them is bitten down to the quick. They've been bitten down to the quick ever since I can can do. I've tried all or most was made, and the schedule is already nails, and yet here are my disgrace fully bitten nails to show how ineffec

"Now, my mother bit her finger nails in precisely the same fashion. She had a beautiful pair of hands, with long, slender, tapering fingers, and it was one of the miseries of her existence that she simply could not get away from the habit of ruining her nails by biting them. Not only that, but my mother told me that her father inveterately hit his pails and father inveterately bit his nails, and her father, in turn, told her that his mother had tried all her life to do away with the habit of biting her "So you see that in my case the nail biting habit is distinctly here-

tice, who had the nail biting habit, and I found that in every case I tackled their immediate progenitors, on one side or the other, had the nail

building is the utilization of all the heat units.

Orange Meat

Popping Corn and Popping Wheat

Ever pop corn? Take a handful of tiny grains—heat them over the fire—

The "Sunshine" furnace utilizes all the heat and sends none up the chimney.

You can't put your hand over the chimney when some furnaces are in use, because so much heat goes up the chimney your hand would be burned. That is heat wasted, time wasted, because it takes so much more firing up when a large part of your heat is

The "Sunshine" furnace is built to extract all the heat units from the fuel and distribute them through the house. It does not waste heat like common furnaces.

NERVOUS DEBILITY

CURED.

If you have transgressed against the laws of nature, you must suffer. Self abuse, later excesses and private diseases have wrecked thousands of promising lives. Treat with scientific physicians and be cured. Avoid quacks. E. A. Sidney, of Toledo, says: "At the age of 14, I learned a bad promised to cure me. They got my money and I still had the disease. I had given up hope when a friend advised me to consult Drs. K. & K., who had cured him. Without any confidence I called on them, and Dr. Kennedy agreed to cure me or no pay. After taking the New Method Treatment for six weeks I felt like a new man. The drains ceased, wormy veins disappeared, nerves grew stronger, hair stopped failing out, urine became clear and my sexual organs vitalized. I was entirely cured by Dr. Kennedy and recommend him from the bottom of my heart."

We Treat and Cure Syphilia, Gleet, Varieocele, Emissione, and Bladder Diseases.
