How Red Rose Tea is Grown

TEA is a native plant of Northern India. Translanced to Ceylon it lost much of its strength and richness, but gained in fragrance and delicacy. That is why Ceylon tea is not a strong tea.

That is why I blend Indian and Ceylon teas together-that is how the strength and richness, fragrance and delicacy of Red Rose Tea are secured—that is why Red Rose Tea has that "rich fruity flavor."

Sunlight Soap is better than other soaps, but is best when used in the Sunlight way.

To appreciate the simplicity and ease of washing with Sunlight Soap in the Sunlight way you should follow directions.

After rubbing on the soap, roll up each piece, immerse in the water, and go away. Sunlight Soap

will do its work in thirty to sixty minutes. Your clothes will be cleaner and whiter than if washed in the old-fashioned way with boiler and hard rubbing.
