Dr. Brock's Celebrated Female Periodical Pills are the best monthly medicine for ladies. Sold

For Women

FRUIT-A-TIVES are the finest medicine in the world

for women. As a mild and gentle laxative—as a positive and speedy cure for Constipation and Biliousness-as the only cure for weak and irritated kidneys and especially for "that pain in the back "-as a positive cure for headaches-and as a general tonic to build up and invigorate the whole system - FRUIT-A-TIVES

In cases of irritated Ovaries, Ovarian Pains, Vaginal Catarrh, Excessive and Scanty Menstruation, Ulcerations, Bearing Down Pains-and all those troubles peculiar to women-

have the most remarkable effect. Ninety-nine cases out of a hundred of Female Troubles are due to neglect. Bowels become constipated — kidneys irregular — skin neglected — and the poisons of the body, which should be carried off by these important organs, are taken up by the blood carried to the female organs and poison them, thus starting up a train of female

fruits and by their remarkable action on bowels, kidneys and skin, rid the system of poisons, purify the blood, and restore vigor and health.

No woman, who suffers, should ever be without them. 5oc. a box-6 for \$2.50, at your druggist's or sent postpaid by FRUIT-A-TIVES LIMITED - OTTAWA.

> NO SHAM BATTLES To Be Held This Year By United

> > States Troops.

Washington, D.C., June 27 .- A gen-

ral order will be issued from the war department in a few days, giving in structions, in regard to the exercise of the mobilization of troops in the summer at Mount Gretna and th other six camps of concentration. It has been decided to hold no sham battles and to indulge in nothing of a pectacular nature. The work of the troops, both regular and militia, will be confined to practical operations and exercises which tend to harden soldiers to out-of-door life and train than for the hardships and exposures of field work. There will be abundant marches and night bivouacs away from the regular camps. There may be at each of the camps a final review. which will be attended, as far as posrible, by distinguished officers. It is

possible that Gen. Bell, chief of staff in their existence, provided he can leave his work in Washington, This may not be possible for any length of time, since his assistant, Gen. H. Barry, will, a part of the time. absent in Europe, where he goes with other officers, including Gen. P. W Duvall, to witness the German arm manoeuvres. Arrangements have general staff at each of the camps fo

been made for a representative of the the purpose of technical observation of the work of the troops. The officers who have charge of the camps, such as Gen. Grant, at Mount Gretna, where the New York militia will be sent, are enjoined to see to it that there is the least possible amount of a soldiers' show, and that everything
