

TUMORS CONQUERED

SERIOUS OPERATIONS AVOIDED
Unqualified Success of Lydia E. Pinkham's Vegetable Compound in the Case of Mrs. Fannie D. Fox.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy, the tumor.

So-called "wandering pains" may come from their early stages, or the presence of danger may be made manifest by profuse monthly periods, accompanied by unusual pain, from the abdomen through the groin and thighs.

ACCEPT THE OFFER

OF J. M. CAMPBELL AS LIGHT EXPERT.

Mr. Campbell Refused Re-Engagement Unless His Plans Were Carried Out—Discussion on Three Points at Issue.

A special meeting of the civic light committee was held yesterday afternoon to receive the report of the sub-committee appointed to interview J. M. Campbell and find out under what terms and conditions he would continue in charge of the plant until the extensions were made.

DAUGHTERS OF THE EMPIRE

Made Great Success of Their Garden Party.

The beautiful grounds at Queen's were set off, on Thursday, by the marigolds, and the flags, and the red, white and blue of the Daughters of the Empire, and their green slopes, and spreading trees, and the fine old college itself made an effective background for the daughters themselves in their pretty dresses, and patriotic badges.

A WARM SUBJECT

There's nothing in the world we're so much interested in as Coal at this time of the year. It may sound queer to speak of coal buying and selling as a science, but that's what we've made it. We're important because we have made the complete satisfaction of our customers pay best, and that the way to win business is to please it.
