## Daily Whig.

Churchill's Wonderfut Memory. The press, accepting certain statements which appeared in M. A. I (the paper through which T. P. O' Connor has expressed his views on public men and questions), has extolled the wonderful endowments of Winston Churchill

down a column of print four times. and then recite it, without a halt mind by the process of reading, but it must be thoughtful and concentrated reading. In this respect he is not a greater marvel than his father, who ould, from history or literature, or after page from memory.

It fails occasionally, however, and one bad break, when it is least exlive us a call and satisfaction guar- pected or desired, means the reputation of a speaker. This Winston Isaac Zacks, Churchill knows to his great regret. Once when he had the English Commons in his spell he came to a point, where the memory would not respond. He paused, he reflected, he even repented a few lines in the hope that by the eredit of the province. A 31 the mental machinery would do its per cent bond is not a bonanza, howwork, and without avail. He sat down ever. " in complete confusion, abashed ashamed; and all the sympathy of the house failed to console him.

Yes, memory is a great endowment, and the more it is used the more can be trusted. But there is a to its strain. Churchill, the phenomenon, knows this.

Old Quebec Was Full Of Patriotism.

GREATLY EXALTED.

French-Canadians Had Glorious Time in Honoring Their Patron Saint and Their National Day-The Radiance of the Colors Seen.

A gala day in Quebec! Such was londay, June 25th. The loyalty of feature that struck an Ontarian who saw the demonstration in all its typical uniqueness. The festival was that of St. Jean Baptiste, the tional saint of the people, and with it was associated a, patriotic display of the Canadian emblem, the marle and the cause of the suspended heart were climinated from the scheme. Mr. leaf. No finer tribute could be paid friction, mutilation of the body and Ross was referred to as a great auth: to "our emblem dear" than that general care. of them standing on the outside of the sidewalks, the limb being placed in a round hole in the walk and plugged in so that it would stand erect. corative purposes as we, in this pro-vince, use the evergreen. And the sight was more pleasurable, for meant a display of loyalty to Canadian institutions that stood forth as who have so often sneeringly referred to the disloyalty of our French com-

> Flags were flying everywhere; the Union Jacks and red, white and blue streamers gaily swung in the breeze from hundreds of dwellings, stores and institutions. A cynical person would say the tri-colors predominated; that they outnumbered the Jacks, but the colors of the French and Canadian and many a gallant French housewife who made the streamers did so, only thinking of her "own dear land, her native land," Quebec, the citadel and strong defence of

Johnny Batiste was out for enjoyment on the holiday and with music seeing the people in best attire. The men outrivalled the rainbow in the brightness of tints. The bluest of his thumb, by a piece of the board he blue, the pinkiest of pink, and the gaudiest of reds were seen, and gave whose dife had been spent in places where more subdued colors were in bination of colors is displayed every ing in prime condition. ## "Heat and Fresh Air"

The health of your family is as dependent upon good air as upon good food and the best results in heating your house are obtained by Warm Air Heating which carries the fresh air of outdoors, pure and healthful, to every room.

Buck's "Leader" Furnace

is the most perfect and economical made. Its grate is of the celebrated Duplex Pattern. Its ash pit is deep and roomy. Its radiator is of steel throughout, making the most effective and rapid heater known. Its joints are absolutely air and gas-tight, and its whole construction is substantial and massive. That's why we can

guarantee it to last a lifetime. Ask us for our Furnace Cata-Duplez Grate in Leader Furnace logue. It contains many valuable pointers on how to instal your heating system.
