Talks on Orange Meat (THE PURE FOOD) Mixing and Flaking.

After the wheat is thoroughly cooked—all starch cells broken—and starch converted into carbohydrates -it goes to the mixing machines. Here, malt is added, which converts the starch into maltose (Malt Sugar), which makes ORANGE MEAT so nutritious and wholesome. Then the malted wheat is passed through special machines,

which turn the wheat kernals into individual flakes. Orange Meat is then ready for the ovens, to be baked a
