To Get More Strength from Your Food

LOTS of people are starving with a full stomach. You know, it's not how much we eat, but how we digest that makes us Strong, or Brandy, or Successful.

It needs only one Cascaret at a time to stimulate all the Bowel-Muscles enough, without purging, discomfort or loss of nutrition. So, if you want the same natural action that a six-mile walk in the country would give you, (without the weariness) take one Cascaret at a time, with intervals between, till you reach the exact condition you desire.

One Cascaret at a time will properly cleanse a foul Breath, or Coated Tongue, thus proving clearly its ready, steady, sure, but mild and effective action. A coming Headache can be warded off, in short order, by a single Cascaret, and the cause removed.

Heartburn, Gas-belching, Acid-stings in the throat, and Colicky feeling are sure signs of Bowel trouble from food poisoning, and should be dealt with promptly. One Cascaret will stop the coming trouble, move on the Bowel load, and free the Digestive Juices, if that one Cascaret is taken as soon as the first signs are noticed.

Don't fail to carry the Vest Pocket Cascaret Box with you constantly. A thousand dollars a year spent in amusements could not buy for you half so much hearty Happiness, solid Comfort, Cheerful Temper and Health Insurance, as that little ten cent "Vest Pocket" Box of Cascarets will bring you. All Druggists sell them—over ten million boxes a year, for six years past. Be very careful to get the genuine, made only by the Sterling Remedy Company and never sold in bulk. Every tablet stamped "C.C.C."

A sample and the famous booklet, "Course of Constipation," Free for the asking. Address Sterling Remedy Company, Chicago or New York.
