

NEARING THE END

As the time is fast approaching for the closing of

OUR GREAT CLEARING SALE

We find we have still too much stock, and being desirous of reducing it within the next few days to the lowest point possible, we have decided to slash the prices regardless of cost. Understand by this, that **NECESSITY KNOWS NO LAW**.

Our stock of Men's Summer Clothing must be cleared out immediately. Price is not the consideration. Summer is flying, and the time is short. We have made reductions for the remaining few days of this Big Sale that no other clothing store has ever equalled. The highest qualities will sell at the price of the cheaper goods.

READER, you have not a moment to lose if you want YOUR SHARE of the MONEY-SAVING BARGAINS at this great sale. The time limit is set. Don't be everlastingly too late. You run no risk and take no chances—you have everything to gain, and your money back if not satisfied with your purchase. DURING THIS GREAT SALE we have had several days on which over five hundred pleased customers were served. What has caused such a rush? There is only one answer,
