WATERTOWN MAN'S BOAT FOUND NEAR MASSENA.

and Metal Parts Had Been

Was Then Sunk-Reward for Arrest of Guilty Parties, Thousand Island Park, July 14.—
Dr. E. F. Sargent, of Watertown, who spends his summers at this resort, some time ago found his beauding patients suffer resulting from over tiful yacht at the bottom of the intake near Massena and now seeks to discover the parties responsible for the work by offering a reward for information leading to their arrest,

The yacht, which was practically new and cost upwards of \$1,800, was kept in its house in South Bay, and was stolen on September last. This spring a boatman rowing near the intake saw the hulk at the bottom. The engine had been taken out, all brass and copper work ripped off and in fact everything salable had been

Here is Good Proof that Dr. Hugo's Health Tablets Make Healthy Women.

Here is a testimonial, wholly unsolicited, which proves that Dr. Hugo's Health Tablets for Women will make healthy women even after physicians and other remedies have failed.

Mrs. McDonald consents to its publi-

B. N. Robinson & Co., Coaticoo Gentlemen,—I can testify to the truth the statement concerning Dr. Hugo's alth Tablets for Women, "They make

I was in a run-down co tired, irritable and all out of sorts. Was to day. I had not much faith in the effito day. I had not much faith in the efficacy of ordinary remedies to help women, for I had tried them. I went therefore to a leading physician of Montreal.
He evidently did not know what I specially needed, for his medicine did me
little good. I then went to another physician. He gave me a liquid prescription, which made me feel better while I
was taking it, but worse when I stopped.
Then a friend, who had proved their
worth, recommended Dr. Hugo's Health
Tablets. I tried them and found
they contained just what a run-down woman needs. Again your statement proved true. Improvement was noticed the
first week. They increased my appetite ed true. Improvement was noticed the first week. They increased my appetite and helped digestion. I forgot that I had any nerves. I began to sleep well nights and got up in the morning with the tired feeling gone and ready for the day's duties. In fact, they did for me fust what you claim they will do for wo-men in your advertisements, and best of all I continued feeling well after I stop-ped taking the tablets.

MRS. D. McDONALD. 12 Outremont Terrace, Annex, Montreal

These tablets will do for any down women just what they did for Mrs. They are doing it for women every

A CITY TO ORDER Transformation Decreed by Steel Magnates.

Twenty miles southeast of Chicago a sleepy river winds through tall rank grasses and empties into Lake Michigan, writes Dewey Beebe in Technical World Magazine. The straggling oaks and stunted bushes which somehow keep alive in the shifting sand, only serve to emphasize the barren waste. Cacti, natives of southern deserts, here flourish in abundance. Hot winds blow the sand into ever-changing hillocks, and the lake lies hot and piereing in the glaring sun. The river-"Grand Calumet," so-called is but a tiny stream, so stagnant in places

that its current and the marsh can hardly be distinguished Three years hence the traveller along these shores will be greeted by the busy clatter of a large city. The Japs whole face of nature has been changed. The outline of the coast is now symmetrical. As he approaches the sriver, a great harbor meets his gaze. The largest steamers can now navithe traveller's attention toward the bonds.

try. The largest steel mills of the world here give employment to 15,000 workmen. Two square miles are filled with noisy mills and belching furnaces. The magnitude of the great plant That this transformation shall take place, has been decreed by the directors of the United States Steel Corporation. They have bought 6,000 acres of land on the Grand Calumet river, drawn up the plans for the new
