A WARM SUBJECT

There's nothing in the world we're so much interested in as coal at this time of the year. It may sound queer to speak of coal buying and selling as a business, but that's what we've made it.

Loose Municipal Methods.

Perth is having an experience of its own, in the encouragement of a local industry. H. E. Wampole & Co. established a patent medicine business in the town, and, desiring to extend the same, entered into a contract with the municipality according to which it was to be given \$25,000, employ 200 hands, and expend annually \$50,000 in wages.

The proposition is to go back to the people with a modified scheme and have it voted on. There cannot be anything done without the consent of the qualified electors, and they will now be skeptical and hard to reach.

Colliding With the Senate.

The venerable members of the senate offended in more than one instance during the recent session. The occasion of greatest moment was when they rejected, without fair consideration, the amendment to the railway act, on which, on motion of Mr. Lancaster of Lincoln, the commons had spent some time and approved it despite the lobbying of the great corporations.

Spirit of the Press.

Maclean's Idea. Toronto Herald. The mutilation of the Lord's Day act is not looked on as a capital crime, but as a capital joke.

Can Stand Anything.

Medical Council's Mistake. The action of the medical council in the Crichton case. It will be remembered that a committee reported against the doctor, finding that his ostentatious of certain cures was unprofessional, and the council ordered the removal of his name from the roll.

Women with weaknesses should never forget Dr. Shoop's Night Cure. This medicine is local treatment is used at rest, it is constantly building up the weakened tissues, soothing the inflamed and sensitive surfaces and will surely clear up all catarrhal and local troubles.

AND THE NORMAL SCHOOL IN NOT COMING.

Serious Deprivation to Successive Generations of Students—Will Not Have the Advantages of Queen's—A Deep Disappointment.

It cannot be said that the Ontario government has made the best possible selection of locations for the four new normal schools to be established this year.

Mr. Whitney's Broken Promise. Kingston is not to have a Normal school. That has been settled, and at a meeting of the cabinet which took place on Friday, Mr. Whitney's promise was broken.

It is announced by the party press, and as an excuse, that the school for the east goes to the city which had a site ready. Kingston was not consulted about a site until the last minute.

Have Ten Twins. Five Times Mrs. Goldman Has Presented a Son. Cleveland, July 15.—The fifth consecutive time the stout left twin at the home of David Goldman and his wife, Woodland avenue, S.E., recently, their living children now number fourteen.

The Delinquent For August. A wealth of suggestions for the newest summer gown is to be found in the August Delinquent, which is interesting, not only from the standpoint of fashion, but for its reading as well.

Same As Sherring. It is rumored that King Edward will give up racing at the end of the season. He may take part in the fat man's race at the Sunday school picnic, but that will be all.

Can Stand Anything. The Toronto News wants to know if "Webster" is dictating to the Whitney cabinet. We don't know. But if he is, it is a harmless amusement.

Crawford's Fall. Thomas Crawford, the toy M.P.P. for West Toronto, borrowed \$4,000 from the Central Life Assurance company of Guelph, of which he was a director, on his personal security.

DISCRIMINATING LADIES. Enjoy Using Herpicide on Account of Its Distinctiveness.

Enjoy Using Herpicide on Account of Its Distinctiveness. The ladies who have used Newbro's Herpicide speak of it in the highest terms, for its quick effect in cleansing the scalp of dandruff and also for its excellence as a general hair-dressing.

Enjoy Using Herpicide on Account of Its Distinctiveness. It makes the scalp feel fresh and it allays that itching which dandruff will cause. Newbro's Herpicide effectually cures dandruff as it destroys the germ that causes it. The same germ causes hair to fall out, and baldness; it kills it, Herpicide stops falling hair and prevents baldness. It is also an ideal hair dressing for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide company, Detroit, Mich., G. W. Mahood, special agent.

Enjoy Using Herpicide on Account of Its Distinctiveness. The bridge across the mouth of Jones' Creek, just east of Malloy, Town Landing and a few miles west of Brockville, was burned to the ground on Saturday night. It was only after a difficult struggle that the residents in the vicinity prevailed upon the government and the municipality to build the structure. It saved the farms, six miles of a drive, which it will now be necessary for them to take.

Enjoy Using Herpicide on Account of Its Distinctiveness. Boatmen along the river, as well as those who had their summer homes in the locality, never took kindly to the idea of a drive, which it will now be necessary for them to take. An effort was made to induce the government to purchase the stream, but it was unsuccessful. Last summer an effort was made to destroy the bridge by dynamite charges.
