They gave their opinion: "No," said he, "you do not approach the question from the proper point. If you were to magnify your man, he would, on a colossal scale become dignified and even imposion Tops. Regular price from 25c. ince but, my man, the more you mag-

nify him, the meaner he would be-Nothing demonstrated Mr. Glad stone's modesty more than the invariable kindness with which he would udge sermons, so unlike the flipment and easy criticisms of us smaller folk, He always attended church twice Enticing Prices in Men's every Sunday, and would always laugh he called a "once-er."

Mr. Gladstone told me that once after long nights in the house he used to be tempted to stay too long in bed in the mornings, so he made a rule which he never broke, to get up the moment he was called. He was naturally a good sleeper, always reading a light book to distract his mind from the contests in the house; but once he said after a long debate, he could not help thinking of it, "If I did that often," he added, "I should go mad." Lord Roseberry, in his life of Pitt, tells us of a discussion which took place as to the quality most required as a statesman. One said, eloquence: one, knowledge; one, toil: but Pitt said, patience. Surely, Mr. Gladstone Renfrew have come to spend the sumpossessed all four !
