shock to her nervous system.

For H. A. Guess As Mining John Donnelly, M.E., has received a letter from H. A. Guess, M.A. a. Queen's University graduate of years' standing, which tells of latter's latest success in the mining world. For some time past, Mr. Guess has been manager of the Silver Lake Mines, at Silverton, California. Now he is about to return to Cananea, Mexico, as superintendent of reduction for the Cananea Copper company, at a salary of \$12,000 a year. This company's mines are the third Dr. Fee's Legacy Enabled Many largest in the world. George Guess, a brother, and also a Queen's graduate, is chief chemist in the same company at a large salary.

A Six-Day Excursion. nouncement of third annual six-day make any change when Mr. Crawford ment for the partizans, and not

The Marriage Knot. A good deal is heard of the "mar riage knot," but very few of us realize

that the knot was ever anything more than a figure of speech. Among the Babylonians tying the knot was part of the marriage ceremony, says Home Chat. The priest took a thread from the garment of the bride and another from that of the bridegroom and tied them into a knot, which he gave to the bride, thus symbolizing the bind-ing nature of the union which now existed between herself and her

Claims He Is Innocent. G. C. Metcalfe is held awaiting ar rival of the officers who are to take him to Neepawa, Man., for trial, after his recent term in the penitentiary. They have not yet arrived, they were looked for yesterday. calfe puts in a monotonous time of it pacing up and down the corridors of he station. He still maintains his aiming he can prove it false

Arrant Deceit. The Whig has nothing to grieve about the normal school; it is the conservatives who have to face the deceit of their government. Mr. Mc-Intyre was told by the government to tell the electors a school would be located here; later he was told choose the site. Two days later the government took the school elsewhere. Is that not arrant deception?

Hard or soft corns cured with three applications of Peck's Corn Salve. Guaranteed. Money back if not satisfactory. In boxes, 15c., at Wade's drug store.

PLANT.

Ross and Holgate's Bill Lor Expert Advice on the Extensions Amounts to \$493.55. The Kingston yacht club finds it impossible to change its race fixture of next Saturday to the following Monday (civic holiday) as arrangements were made with the Gananoque and Chaumont yachtsmen to come here on a rowing. To make arrangements for putting the plan into a to clear.

Raby Carriages and Go-Carts at cost small class race for next Monday morning, probably between Kingston and Gananoque twenty-looters. The Chaumont yachtsmen will also be in a little closer to the painter and make for the comment or rowing. To make arrangements for putting the plan into execution was but the work of a few moments. However, "the best made plans of mice and men gang aft morning, probably between Kingston and Gananoque twenty-looters. The Chaumont yachtsmen will also be in the control of the committee of the control of the committee of the control day (civic holiday) as arrangements cast off the painter and make for Aldermen Toye (chairman), Gaskin, the other evening, and found a good Society was formed, the members deinto the drink he went.
