Life and Endowment To Intending Insurers Only:

A FEW PLAIN FACTS First 6 months of 1906-Increase in new Insurances is over 56 per cent For June 1906 as compared with June 1905--Increase over 100 per cent

N.B.—The above figures speak volumes, considering recent insurance in Our Company occupies the UNIQUE POSITION of having lived up fully o its estimates re Bonuses on deferred (i.e. Tontine) plans.

It offers advantages unsurpassed, if equalled, by any competitor.

Everywhere people have absolute confidence in BRITISH PRINCIPLES.

Now, we want a share of your business. We can easily show you that it will pay you to do business with our Company. How are we to locate you? Wil you help us to do so? You can if you will. How? Why, simply let us know if you wish to consult with us upon the subject. You say, Humph! this is reversing the order of canvassing; I would prefer keeping a lot of agents "chasing me up," and "button-holing me" twenty times a month, here, there and everywhere. Would you? That is the old way, and, you can establish new way if you choose to do so, and make it very much pleasanter for both yourself and the agent; now, will you? Why not? Let us have a hint any
