What To Eat and When to Eat

Two Important Questions Answered Sasily After Reading This.

Every nutritive element of the best white wheat grown is found in Malta-Vita. This famous food is the whole of the wheat thoroughly steamed and cooked in absolute purity and mixed with the finest malt extract that was ever made, thus it is the richest, strongest food in the world. You understand, of course, that the cooking and steaming of the wheat gelatinizes its starch and then the malt extract the weakest stomach digests and as-similates it without effort. We all know that for many years physicians of high standing in their

when Malta-Vita comes from the ovens, it is the crispest, most delicious food in the world, containing only one per cent of moisture. The other 99 per cent is food—brain and bone and nerve and muscle food—and most easily di-Malta-Vita is always fresh and crisp, and ready to eat. Delicious, refresh-ing, invigorating. Loss of Two Legs Results in Two Marriages.

Denver, Col. July 24.- The loss of two legs has brought brides to two brothers, and the one who now wears a pair of artificial limbs is satisfied that he made an advantageous trade. "If I only had limbs I'd get married," sighed Willia Call to his nurse, Miss Amelia Robin, in the Ogden General Hospital, last December, "Oh-er-and do you think that Niagara and St. Lawrence Nav. Co. need matter with real love?" stam-

make of it."

near the hospital, hoping for the best and one evening in June he found the marks of his darts. Blushingly the marriage was announced the following week, and now Miss Johnson, of Ogden, is Mrs. John Call.

Toronto and Hamilton There are 2,461 newspapers published in the United Kingdom.

ISLANDS APPEAR THE RIVER.

Western Fall, An Old Guide, Declares That New Ones Make Their Appearance Every Year -Corroborating Evidence Fur-

At Alexandria Bay, Western Fall, a and during his time one af the most widely known guides on the St. Lawrence, makes the bold assertion that new islands are yearly cropping out throughout the entire river, and particularly the Admiralty group, due, he says, to the failing away of the waters of the St. Lawrence. Mr. Fali's idents, who claim that in the past the year, but it is more pre- ten years fifty or more new islands have appeared in different places along

However, further evidence was obtained when a trip was taken among the new-born islands, and any doubt as to the truth of the assertion faded when a guide pointed out the new islands, not offi-

cially located on any government map, and also took soundings as to depth, etc., of future new islands. Mr. Fall believes that in ten years the river will boast nearly a hundred infant islands, and the river sink into its bed two feet. Since his retirement, fourteen years ago, Mr. Fall has made a study of the island conditions, with the above result, and promises to publish his researches, giving in detail a full account of fourteen years' hard study of the River

GANANOQUE NEWS.

Death of Alexander Ormiston, An

Gananoque, July 24.- A severe accident happened to the young daughter of Mr. and Mrs. William Abernethy, Pine street, about six years of age. In playing about the house she trip ped over her sister's foot, and fell, breaking her leg in two places between the knee and ankle. Previous to this the child had suffered from the fracture of an arm and also of a leg. Mrs. Wilson and daughter, of Toron-to, are the guests of Mrs. Haigh, at her cottage on Tremont Park. James Thomson, the popular editor of the Gananoque Journal, spent Friday and Saturday in Montreal, where he purchased a new motor boat, propelled by a five horsepower engine.

This adds still another to Gananoque's rapidly increasing fleet.

Rev. Joseph Cornell conducted a service among the campers at Turkington's, near Rockport, on Sunday evening. Quite a large congregation great-
