Elevation to Bench at \$30,000 Member of Lords in Active Practice at Bar.

SIONER OF ASSIZE.

but likewise the appointment of his eldest son to a puisne judgeship with itc stipend of \$30,000 a year.

This stipulation in behalf of his

first born was prompted not by ruy affection for the latter, but by the tepmother's inheritance of all of her nd's fortune. The old chief itstice's children knew this and it led to their estrangement from their father during the remainder of his life. None of them were present at his death-bed, and when his will was opened it was discovered that he had left every penny of his unentailed tortune amounting to over \$1,000,000, to his young widow.

The present Lord Coleridge his brothers and sister, were on the point of instituting proceedings to upset the will, but finally decided to let it stand, prompted by a natural reluctance to expose themselves to all the disagreeable notoriety of a public family scandal such as had been aired some years previously when the lord chief justice's only daughter, Mildred, was obliged to sue him for non-sup-

That trial was of the most extraorlinary character, showed that he was the point of insanity, and that he not only kept her in a state of starvation and beggary, dependent on the charity of her brothers and her friends but that he likewise subjected himself to fare worthy of a miser.

It was this trial, presenting the lord

late Edmund Yates the opportunity to heap coals of fire upon the great jurist's head. At the time of the suit for libel brought by Lord Lonsdale against the proprietor of the London World, for a paragraph which appeared in that paper without Yates' knowledge, but affecting the reputation of the earl and of Lady Grace Fane an unusually severe sentence—it was a time by contract at public registry Miss A. Dooher, Miss N. Hughes, Miss a year's imprisonment—upon him, office.

himself of the opportunity of getting even with Lord Coleridge. The latter cal defect. thereupon wrote to him, thanking him for his attitude, and expressing men, 18.3, because of dangerous fish-his regret that he himself had been ing; for women, 16.5, Average expense of Yates in connection with the Lons-

Most men would have published such a letter as this, but Yates not | Illiterates Two men in a thousand only made no use of it, but even re-frained from showing it, and it was mark, seventy-eight in Russia, which not until after his death that it was wants to "improve" Norway and Swe-found among his papers. den by dividing and conquering them;

The present Lord Coleridge has 13.6 even in England. America, before their estrangement. n those days he was known as Hon. ed by those who met him at that as a rather sharp-featured young man with a quickness of look see him, and he proposed a game, and a decision of character that one which I agreed. Before we begin, is apt to seek in Americans rather said, just knock the balls around
