WHAT LADY SOMERSET HAS TO REPORT.

She Dwells Upon the Career of the in Garden City-Sunday in Many Lands.

Able Letter by Lady Henry Somerset-London, Aug. 4.—The little village of Hawarden, so well-known to American visitors and so intimately con-

Bonfires blazed upon the Welsh hills; lags decorated the village and church all parts of the country. It is diffi-cult to visit Hawarden without being of torture? Years spent under the impressed with the extraordinary completeness of the life which went to make up one of England's greatest men, for it is perhaps in that quiet spot that you get the key to the power exercised by Mr. Gladstone not only over his own followers, but over his opponents

so many hours of study, "the Temple of Peace," he used to call it, and where at last he lay in his long sleep; the church to which he and Mrs. Gladstone walked regularly every morning, St. Deniot's library, which he had arranged with his own hands for the benefit of students who had not the means of obtaining rare books—and above all, I noted the reverent love

with which those who remember him in his own village spoke of him.

And now young Gladstone succeeds to his name and his estate, the boy who remembers learning Latin with his grandfather, who, when he had retired from the burden of statesmanship, spent the evening of his life in peace and study. The inheritance of ace and study. The inheritance of a great name is a great responsibility. but it must bring with it also a great

The bill passed by the French legis-lature enforcing a compulsory weekly, holiday for French employees is curi-ously interesting. Where it is possible the rest is to be given on Sundays, but in the case of restaurants, cafes, hospitals and newspapers, where work cannot be suspended, the rest is to be granted on another day.

The recommendation came from the labor committee, and after a very short day.

short debate was accepted by 575 votes to 1. It is curious to note how able congregation in London, yet very this law of rest has been almost uniames. The Canadian parliament has and extravagances. He recently charjust passed a Sabbath Observance bill ged that the utter disregard of the rich and the title of this measure is an information bears and outteresting survival of the confusion bears a national scandal.

American Association. The later club has offered Pitcher Eagan and Outfielder Waldron, for the big German, cen the Sabbath and the Sunday which only arose in England with the

he first day of the week. Saturday till means the Sabbath, as it actualdoes now in French and Italianamedi and Sabbato.

Constantine in his decree of 321 calls Sunday "the venerable day of the sun," and orders that magis-trates and people residing in the city should rest and all workshops be Scott Holland explained its objects. closed. During Puritan times the re-version to: Sabbatarianism was so come down there as old citizens to great that one of the accusations see how a city ought to be really
