World-The Markets. The July gold output of the Rand mines is estimated by Kadhr houses at half a million ounces, one gold. This constitutes another high record in the Transvaal gold production.

The Montreal Light, front and Power company is creating a power house at

The Canadian Pacific railway has announced that in future it will not make and a contract for \$1,070, was granted as it has done in the past. As the proceeds of the land sales to in with the ordinary carnings, now, the company does not want to make known just how much of the monthly increases are due in the past day to the contractor.

It is alleged that the mayor, either upon his own responsibility or after consultation with the city solicitor, shame,

But marry the girl you love best.

The fire loss of the United States and Canada for the month of July as compiled from the Journal of Commerce, aggregates \$12,428,050. against \$18,173,250 in July, 1905, and \$11,923,200 in July, 1904. For six months of 1906 the figures are \$380,093,600, against \$106,285,150 in six months of 1905, and \$184,457,050 in six months of 1904. It is stated that the Canadian Pacific Railway company has sold all its timber lands comprised in the recently conjugated Esquimalt and Nanaimo Railway to the solicitor. Some acrid comments being made over the alleged act.
