ber of Indians and their families took their tents to the Quaker Settlement and are settled in the vicinity of the Books for 500 miles of travel on New York Central and leased lines within State of New York cost only \$10, while books for 1,000 miles over New York Central, Boston & Albany. Buffalo. Rochester & Pittsburg. Philadelphia & Reading and Central R.R. of New Jersey cost \$20. Secure further information and purchase tickets from H. S. Folger. New York Central Agent. Kingston. Ont. factory. Mr. Beringer declared them miles. At night the toilers are taken home. Households turn out. Wages are good. Men earn \$1.50 to \$2.00 a day; women \$1 and as high #5 \$2 a day. Female labor is piece work and the money earned depends on the agi-

> A visit to the factory is an interesting sight; to see the vegetables in all stages of the canning process, taking in the instance of the tomato, the clean, firm vegetable from the bushel crate as brought in by the farmer from the fields, the peeling, slight "cooking" process and canning. Thou-sands of bushels pass through the hands of the peelers during a day, The "goods" are exceedingly perishable and to prevent loss, workers toil late into the night and are at it with a will with the early morning whistle, The season is short and money must be made. Many families earn sufficient. to nearly keep them until working time comes for the next year. But as yet the consumption of the anned product is confined to home onsumption, but that it is materially ncreasing is evidenced from the fact that last winter, costly improvements

> were made in two of Picton's already well equipped concerns. The "Old Homestead" factory, owned by the Richardsons, of Kingston, is a model of its kind, a huge plant of concrete and iron building material with the latest and most modern of machinery. The estimated cost is \$75,000 or \$80, 000. Fully \$30,000 improvements were made to the Wright factory (one of the consolidates.) Goods from Prince Edward go to all parts of the country, from coast to coast and on un nto the Yukon.

> "In the near future," commented Mr. Beringer, "I look for an old country market, but before that can be accomplished the English people will have to be educated to it. As yet it is almost impossible to make a sale of canned vegetables in England. They will eat tomatoes in small quantities, but will have

The canning industry has not yet reached its height: there is a bright future ahead for it and our country has for from reached her limit in productiveness to further the same. Carnegie's Youth.
