How a Party Didn't Enjoy Labor

A number of residents of the city anned a grand outing for Labor y. Alas, for well laid arrangements y sometimes fail to carry. One of party left early in the morning th a contingent, in a gasoline meh, for down the river. They were he Pittsburg shore for the cooking atensils, etc. These were to be ight back to the city and then the whole party would proceed to Dog ake for a good day's fishing. En be gasoline craft came to grief, the natteries giving out. The boat driftent a second wacht in search of the ents. The relief expedition w them back. But it never rains ess it pours. On the return to get ort of gasoline, and as the sea was etting heavy it became necessary to ast the tow adrift. This was done in he neighborhood of Cartwright's oint, and party number one paddled heir craft-his craft-toward shore. nade across country towards the city, the yacht being left tied under shelter
