CHANGES IN ONTARIO

union. Perhaps the most important change made in the rules at the last annual meeting of the union applies to the goal kick, a department of the game which has heretofore been more

effectiveness of the goal kick, one

wonders at the scant attention paid Goal kicking has been developed to a marked degree by the big college teams across the line, and is one of year discussed this department of the

give special attention applies to off-sides. Under rule VIII, section 3, of ed her cargo at the Scranton coal last year's rules a player being off- company's sheds, cleared for Oswego side was enabled to take two steps towards his opponent's goal, and, as Miss Kennedy of Perth, has been Hemmed and with fringe. Sizes 15x might be expected, the privilege was greatly abused, and the referees experly enforcing it. In order to yiate this difficulty and eliminate far as possible off-sides, the union has decided to strike out the words "two steps" from the rule covering this play, and make it illegal for a player who is off-side to advance any distance towards his opponent's line

Another important change applies On sale Saturday, 69c. Each to the kick out, the rule applying to as follows: "A player making a kickout cannot afterwards run with the ball unless it has touched an opponents or been passed to him by one of his own side. The object of this change is to eliminate the "fake" kick, and hereby make the game even more It has also been decided that all games must be played in quarters,

unless the captains otherwise agree, in which case the game may be play-A Crack Ball Team. Although the baseball season upon the river has just closed, plans are now being faid, at Thousand Island Kingston, leave.
