Store Closed at Six O'clock

THE different particulars you'll note below, are fair ordinary examples of the new collection of dress fabrics we'll show next Monday. This week saw its first real plunge for popular favor, and after the first two or three days selling we couldn't help being convinced that this scason's materials are not only pleasing regular patrons, and making their liking for this store stronger; but are attracting new patrons and winning new favorites for us. every day. We offer latest styles and good qualities, at pleasing prices which form a combination of attractiveness that common-sense people will not or can not resist. If you have not yet been here, we earnestly invite and advise you to make very special efforts to come and see these on Monday :

JOHN LAIDLAW & SON
