Any Garment You Choose We Will Place Aside Until You Desire It

TOMORROW we will show a more extensive range of outer ready-to-wear garments than any we have had before this season.

Those who saw the collection we had, were utterly charmed, but now, they really should make another visit.

We have received many new effects—the very latest from the hands of the best designers in the country, and they, we think, should receive even greater praise than those in our first showing.

We will heartily welcome you to this section to-morrow—whether as an intending buyer, or an interested admirer.

And remember, if you do not wish to take a coat away just yet, we will lay it aside for you. Our specials.
