SALVATION WEDDING

JOHN WALKOM AND MISS KNAPP UNITED

In Marriage at the Salvation Army Barracks—Brigadier and Mrs. Hargrave Give Short Addresses.

There was a very large audience present at the Salvation Army barracks last evening to witness an interesting ceremony, which was carried out under the ritual of the Salvation Army. The barracks were prettily decorated with flags and wreaths, with a wedding bell in the centre, also a banner with a life-like picture of Gen. Booth. Adjutant Simms presided, and on opening the proceedings called on the bride to play a selection, accompanied with song. She then introduced Brigadier Hargrave and Mrs. Hargrave, provincial officers for the province of Ontario, and tendered them a hearty welcome.

Brigadier Hargrave said he was no stranger to Kingston and the Salvation Army corps. Ten years ago he was stationed here. Many of them were well known to him and he came back with the same spirit and love for them. He and Mrs. Hargrave had travelled thousands of miles since they left home. They were years of hard toil, still they were years of happiness. They had worked in Montreal, Ottawa and Peterboro and had been the means of bringing many to Jesus. He thanked them for their hearty welcome, and asked them to keep their hearts full of the love of God.

Mrs. Hargrave said she knew the people of Kingston and was sorry she had to stay with them only a few hours. She always liked the people of Kingston and wished she could always stay with them. They came with great expectations and hoped they would be asked to come quite often. They had come with the same spirit that Jesus had when He went to Calvary.

Remarks were made by Capt. Cule of Sunbury, and George Grainger. Brigadier Hargrave said he knew the people of Kingston and was sorry she had to stay with them only a few hours. WOMAN'S HOSPITAL AID

Re-Opening Meeting For the Season Held Yesterday.

On Monday afternoon the Woman's Aid of the General Hospital met for the first time after the summer vacation, and there was a good attendance of members. Nothing definite was done regarding training of nurses, but discussion on this subject being left to the next meeting.

The request of the governors for a fresh supply of linens was considered, but action was deferred till the next meeting on duty this month, look into the matter, and see just what is required.

Many gifts of fresh fruit, and of preserves were gratefully acknowledged. There have been about five dozen jars of jam given. The bills of McKelvey & Bignall and Milo have been settled, and a satisfactory balance received. Since the last meeting twelve children's nightgowns have been given, and a supply of dishes of various kinds, sufficient to tide the institution over the summer.

Next meeting will be the annual one, and special notice is made that new members will be received. The entrance fee of \$1, is not much for each woman, but the aggregate means great assistance to the institution. The committee of the meeting member bring along one new one to swell the ranks and the funds.

Your Blood Filters.

The kidneys are a mass of tiny tubes through which the blood must constantly filter if you are to live. Often these tubes become inflamed or engorged. This condition must be promptly relieved, or disease will result.

Peck's Kidney and Liver Pills heal and cleanse these little filters and make the kidneys sound and active. In boxes, 25c. For sale only at Wade's Drug Store. Money back if not satisfactory.

Kingston and Smith's Falls.

The steamer Rideau Queen will leave Swift's wharf every Wednesday and Saturday at 6 a.m. James Swift & Co., agents.

The minister of justice wonders why the newspapers do not report the speeches in parliament in full. Because there are few speeches; any amount of gas thrown on the atmosphere. Newspapers are not balloons and do not need hot air.

Thin Blood

Experience count anything with you? Then what do you think of 60 years' experience with Ayer's Sarsaparilla? Sixty years of curing thin blood, weak nerves, general debility! We wish you would ask your own doctor about this. Ask him to tell you honestly what he thinks it will do for your case. Then do precisely as he says.

A LAWYER'S LETTER.

Explanation Made About the Dandura Collision.

Low, Holman & Stephens, Hamilton, write to the Toronto Globe that the report of the accident to the Dandura is incorrect. They say: "The Dandura was going west, and a tug named the 'Ode', with the barge Cornwall and another barge in tow, was proceeding east in the Soulange canal. As the boats approached one another the Dandura and Ode slowed up, and the Cornwall, which was still going at her former speed, in the centre of the canal, presumably to complete the crossing, was also doing out of order, sheered over to the northerly side of the canal in front of the Dandura. As soon as the officer in charge of the Dandura noticed the Cornwall sheer over he immediately stopped the engines, and when he found that the Cornwall was continuing to come westward, he reversed his engines and began backing up, and the Dandura was backing up at the time the collision occurred."

Their report is in your article that the steering gear of the Dandura was clogged, relating to work. That is absolutely untrue. You stated that the Cornwall was sunk; this is also untrue, as the Cornwall was not sunk. You also stated that this is the second accident this season the Dandura has been responsible for. This is also untrue. The Dandura was responsible for the accident. She was on her right side of the canal, and the Cornwall deliberately came across her bow."

Captain Disabled.

One week ago when the steamer Charlotte to Cobourg, the ship from Port Hope, was crossing the lake from Port Hope, an accident occurred to her boiler which made it necessary to run the boat to Port Hope for repairs. On examination it was found that the damage was of a more serious nature than first supposed, and as a result the necessary repairs were not completed until Friday. The ship was most unfortunate just at the present time and will prove a heavy financial loss to the company. The steamer went to Charlotte on Friday, returning on Saturday, and will continue these trips daily, says the Port Hope Guide.

Marine Notes.

Swill's wharf, Steamer Hamilton from Montreal.
The schooner Acadia, from Oswego, with coal, is at Stella.
M.T. company wharf: SS. Fairmount and consort, cleared for Port Hope.
Crawford's wharf: Schooner Corolla cleared for Oswego; schooner Charlotte to Cobourg, with coal.
The steamer Ramona has arrived from Clayton, to go into quarters, having finished her season down the river.
Richardson's wharf: Steamer Midland Queen, from Duluth, with 78,000 bushels of wheat, steamboat Navajo, from Montreal, with package freight and cleared both wharves.

DIFFICULT PROBLEM.

For the Board of Works to Solve.
The city is in a difficult position in regard to the Queen street sewer extension. Something has to be done to clear the sewer, and to avoid the action for damages which has been entered by property owners against the corporation. The difficulty lies in finding a satisfactory route. It will cost at least \$5,000 to extend the sewer outlet beyond the end of the M.T. company pier, a distance of 830 feet. The Board of Works presented several plans at the special meeting of the board of works last evening, at which were present Aldermen Carson, Chabot, Craig, Walker and Bassant. Ald. Toye, of the light committee, and City Solicitor McIntyre. One of these plans was to lay a fifteen-inch pipe to the pier, and to do this, a channel would have to be dug, and any pipe laid in the slip would be in the way of vessels. Another plan would be to construct an intercepting sewer for the drainage from Brock street to Queen street, and carry the pipe around the other side of the M.T. company pier. This plan might not cost more than the other, but would be more satisfactory.

The Jones Falls Trip.

Because of demand for a few more of these open-air trips, the Rideau Lakes Navigation company have decided to run their steamer Wednesday and Saturday, 6 a.m., 5c. These outings to one of nature's most beautiful spots will be well patronized. September days on the Rideau are enjoyable.

Ask Aid For a Good Cause.

The Sisters of the House of Providence are making a house to house canvass for funds. It seems that the institution is low in finances, and requests aid if it is to continue its good work of the past years. Besides carrying the sick, it is also a refuge for the poor, a large number of whom end their days in its institution. No doubt, generous support will be given by sisters by all classes.
